CITY CLERK'S OFFICE

OFFICE OF CITY ATTORNEY
24 APR '23 AM 07:54

Dear City Clerk:

I'm submitting this claim for \$7,500.00 to the City of Milwaukee for damages caused to my vehicle by Milwaukee Fire Department Engine 39.

On February 17, 2023, approximately 8:10 am, my children and I were traveling eastbound, in the left lane, near 46th St and Good Hope Road, when a fire truck parked in the right lane, started pulling off and without warning, made a U-turn in front of me by crossing over into the left lane and stopped halfway in the median with its back end extending in my lane. I tried to avoid the collision by braking and turning into the right lane.

However, the roads were snowy, wet, and slushy. My car slid into the corner of the fire truck and the fire truck, unaware that they had caused the collision proceeded on through the median and made a left turn leaving the scene.

My girls were screaming in the back. I looked and saw that the left side of my van where two of my children were sitting, was crushed and the windows were all broken. My children were screaming and shaking and were terrified.

There was glass everywhere and glass in my girl's hair and clothes. I didn't know if my girls were hurt. All my girls in the back were holding their arms and screaming and crying. After I had consoled them and was reasonably assured, they were okay, I called 911 and reported the accident.

While waiting for the police and emergency vehicles to arrive, an eyewitness (Mr. John Tucker – 414-788-6198) returned to the scene to check and see if my girls and I were alright. He Stated he saw the whole incident while he was heading westbound on Good Hope Road as the fire truck turned in front of him.

He followed the fire truck back to Milwaukee Fire Station No. 39, on N. 81st and W. Bradley Road. He told the crew as they were getting out of the truck, that they turned in front of a white van causing a collision back on 46th and Good Hope Road. They were not aware that they had caused the collision or that it happened.

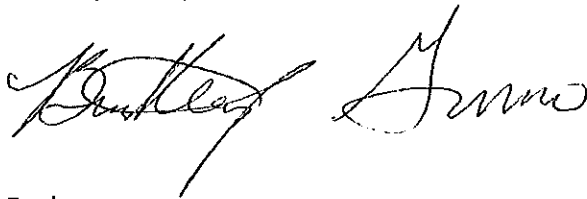

They then returned to the scene where the police and other fire EMTs were attending us...

Please feel free to contact me at 414-550-1103 or britt50986@gmail.com, should you have any questions.

Your expeditiousness in dealing with this matter is greatly appreciated.

Sincerely,

Brittney N. Gayden
