All audits are required to be completed and delivered to the CITY-CDGA no later than six (6) months following the end of the CONTRACTOR's fiscal year. In the event the CONTRACTOR is not funded for a subsequent year, the CONTRACTOR must provide the CITY with a signed commitment from a Certified Public Accounting firm to conduct such an audit. This commitment must be provided prior to the expiration of the current Contract. Failure to provide this commitment will result in the CITY withholding from the current Contract a sum sufficient in the CITY's judgment to enable the completion of such an audit. The auditor must follow the risk-based approach to determine which federal programs are major programs as more specifically set forth in 2 CFR §200.518.

Pursuant to 2 CFR § 200.303, the CONTRACTOR shall:

- A. **Required City Procurement Policy Procedures.** In addition to federal procurement requirements, proper City procurement procedures must be followed in order to secure any goods and services to be purchased (or reimbursed) with City funds, including the selection of contractors, suppliers and related vendors. As such, City of Milwaukee funded agencies, including all housing production agencies must adhere to the following procurement procedures:

1. Contracts and Purchases under \$1,000 - An agency shall select the source that provides the most appropriate product, at a price most reasonable for the project. In addition, a Property records form must be completed and submitted to CDGA for all purchases of \$300 or greater.
2. Contracts and Purchases From \$1,000 to \$10,000- An agency must document that it has contacted at least three bonafide sources and has selected the source that provides the most appropriate product, at a price most reasonable for the project.
3. Contracts and Purchases From \$10,001 to \$50,000 - Agencies must request proposals from at least three bonafide sources. Requests for proposals must be in writing and provide all contractors, vendors, and suppliers the same information and opportunity to “walk-through” a project, if appropriate. Additionally, copies of all bids received and a bid tabulation sheet that justifies contractor selection must be maintained for each project. In order for a bid to be acceptable, it should be from bonafide contractors, licensed in the City of Milwaukee, be signed and dated, and include a complete list of activities to be performed, and/or materials and services to be provided.
4. Contracts and Purchases Greater than \$50,000 - All Requests for Proposals greater than \$50,000 must be advertised in either the Milwaukee Journal Sentinel or the Daily Reporter. Failure to follow these procurement procedures will result in a Finding during a CDGA monitoring visit and may require the agency to “payback” all Federal funds disbursed using non-Federal funds.
5. Any deviation from these standards will/shall result in non-payment of costs reported unless written documentation adequate in the sole judgment (discretion) of CDGA, to establish compliance with HUD federal procurement standards is submitted to and approved by CDGA.

B. **Contractor Award Criteria.** City of Milwaukee-funded housing agencies should adhere to additional criteria when selecting contractors to perform production activities:

1. Contracts may not be awarded to debarred, suspended, or otherwise ineligible contractors. Agency must comply with all Federal, State, and Local laws, rules and regulations in addition to the provisions of Section II.D. of this Agreement. The City of Milwaukee will not pay for work performed by any firm that is debarred or not otherwise eligible to be awarded work. The Agency is responsible for reviewing the HUD debarred and suspended list, and for rejecting bids from ineligible contractors. The list is updated regularly and can be accessed via the internet at: www.federalcontractorregistry.com. Only the eligibility of the prime contractor must be verified and documented. Subcontractor clearance is the responsibility of the prime contractor.
2. The contractor/vendor will provide products and service that meet the appropriate specifications, including start and completion time requirements.

3. The firm is a bona fide business with experience in the work they are proposing to do.
4. The company has a good record of doing business and/or a good reputation with customers, peers, and suppliers.

7. Utilize to the greatest extent possible, a Minority, Women-Owned, or Disadvantaged Business Enterprise.
8. Purchase from local (i.e. City of Milwaukee-based) vendors/contractors. ***Unless there are extenuating circumstances, a lower quote may not be "reasonable and market-based" if it deviates from staff's cost estimate and/or the average of the other bidders' prices by 15% or more.***
9. Any deviation from these standards will/shall result in non-payment of costs reported unless written documentation adequate, in the sole judgment (discretion) of CDGA, to establish compliance with HUD federal procurement standards, is submitted to and approved by CDGA.

C. Bonding and Insurance under 2 CFR § 200.325

1. If the CITY requires contracting for construction or facility improvement, the CITY shall follow its own requirements relating to bid guarantees, performance bonds and payments bonds, except for contracts exceeding the Simplified Acquisition Threshold under 2 CFR § 200.88, for which the minimum requirements shall be as follows:
