Truck #696 was found on 1/16/24 operating without water – which means that employees had been preparing food without first washing hands. Handwashing alone can prevent up to 50% of foodborne illness so it is absolutely required that mobile food establishments have running water for handwashing. If lines freeze or water becomes unavailable at the handwash sink, the truck shall cease operations immediately and return to their base without posing risk to the public by serving food made by contaminated hands. This hearing shall also serve as notice that if the truck is found without water within the licensing year a citation will be issued.

### PA-33 Food Truck Enforcement 1300 BLK of W. Burnham St

This report is submitted by Sgt. Kevin BOLYARD, assigned to District Two, Early Shift. On Tuesday, September 16th, 2025, at approximately 2:30PM, Sgt Guadalupe RAMIERZ-CERVANTES and I went to the 1300 block of W. Burnham St.

### ISSUE

The area of W. Burnham St in the 1300 block is a location that is restricted as to where food trucks are able to park. In addition to the food truck ordinance restriction, this area was designated as a no parking area and was posted as such at the time of the contact. The location was a "Temporary No Parking" zone due to the Mexican Independence Day celebration and the possibility of street takeovers that take place in the area.

### ADVISORY

Sgt RAMIREZ-CERVANTES was the lead with these discussions with the three food trucks parked in the

area. We spoke to the responsible parties for each vehicle and advised them that they needed to move their trucks. Sgt RAMIREZ-CERVANTES advised all three of the food trucks that they were restricted from parking at the location by ordinance. Sgt RAMIREZ-CERVANTES showed the individuals we spoke to the map that was in the food truck regulations booklet that is available on the City of Milwaukee Website. Sgt RAMIREZ-CERVANTES advised them they could not park at the location and would need to move.

Each of the individuals we spoke with stated they had called Alderman PEREZ and sat down to meet with him. Each of the individuals independently stated they were at a meeting with Aldermen PEREZ when he advised them that they were able to park at the location after previously being told they had to move. Sgt RAMIREZ-CERVANTES explained to all three that the law was still there and they would need the common council to change the law. All three food trucks received their final warning regarding this issue. All three were more than helpful and understanding. All three trucks moved to park on S. 14th St where there was no restrictions.

## FOLLOW UP

Sgt RAMIREZ-CERVANTES and I went inside the El Rey location where we were advised by their management that the food trucks are a nuisance for them. We were advised that they have told the food trucks several times not to have their customers park in their parking lot. The managers of El Rey stated this was an ongoing issue that makes it difficult for their customers as they take up all the spaces along the southern and western portion of the property. El Rey has a food truck that is located on their property and they have permission to sell on their property.

## OF NOTE

At the time of the contact there was no security and the individuals at each food truck was cooperative. There were no further issues observed at the time of the contact.
