Hello,

My name is Priscilla Vaughn.

On 12/30/2020 I parked my car at 3377 N. 27th St. in Milwaukee, WI. after I got off work around 12:30am. When I returned to my car ^{at 1:30pm} I found damages that appeared to be of a ~~plow~~ ^{plow} truck hitting it. This was the first day we had a really bad snow storm. I made a report with the city of Milwaukee and someone came out and took pictures and measurement. The damages look like it was hit by a ~~plow~~ ^{plow} truck and are not regular damages. I really need these damages repaired as soon as possible and am looking into having street camera surveillance retrieved. If you can please assist me in this matter that would be greatly appreciated. Thank you.

Priscilla Vaughn

(1g), (1m), (1p) and (8), no action may be brought or maintained against any volunteer fire company organized under ch. 213, political corporation, governmental subdivision or agency thereof nor against any officer, official, agent or employe of the corporation, subdivision or agency for acts done in their official capacity or in the course of their agency or employment upon a claim or cause of action unless:

(a) Within 120 days after the happening of the event giving rise to the claim, written notice of the circumstances of the claim signed by the party, agent or attorney is served on the volunteer fire company, political corporation, governmental subdivision or agency and on the officer, official, agent or employe under s. 801.11. (b) A claim containing the address of the claimant and an itemized statement of the relief sought is presented to the appropriate clerk or person who performs the duties of a clerk or secretary for the defendant fire company, corporation, subdivision or agency and the claim is disallowed.
