To Whom it May Concern,
CITY CLERK

In regards to the incident on my property at 2827 South 9th place during the last week of March 2005 I have a statement from my neighbor Mr. John White as he witnessed the incident and the damage done on my property on the garage. Also enclosed are some pictures I took and I also do understand that your sanitation crews are NOT trained to cause any property damage - But it did happen to me. Now, I hope you'll please reconsider my claim and get back to me again on a decision ASAP

Thanks so much
Sincerely

I, Jon White; neighbor of
Patricia Meleski on 2827 S. Elm Pl.

Witnessed an incident at her residence
of the garbage men at work driving into
her garbage cans in which they smashed
the southwest portion of her garage/liftoverhead
door. This inevitably caused extensive damage to
the corner of the garage & siding also.
Mice & other varmints are now hard
to control due to the hole in
the garage door.
