CITY CLERK'S OFFICE

To Whom It May Concern:

I am writing in regards to the tree that fell on my house. That same branch that fell I had requested 2-3 years ago that it be removed. I was informed at that time it was "not" over my house and they would "not" remove.

If it was & did fall on my house as well as my daughter's car.

The receipt that is in there is for her repairs on her car.

Please cover us with payments for house & return to her money she spent to repair her car.
