HR Analyst	Jamie Heberer

INTRODUCTION

The City of Milwaukee is proud to employ a diverse workforce that is committed to providing exemplary service to the City's residents. If you have a passion for being part of an inclusive team of public servants, please consider the following opportunity.

Qualified applicants may be considered for vacancies in various departments.

PURPOSE

The HVAC Maintenance Technician repairs, replaces, adjusts, and maintains equipment related to facilities for the Milwaukee Police Department (MPD).

ESSENTIAL FUNCTIONS

BUILDING SYSTEM OPERATIONS

- Operate, maintain, repair, and replace HVAC (heating, ventilation, and air conditioning) equipment, including air handling units, cooling towers, chillers, boilers, and roof-top units.
- Operate and maintain related electronic motors, starters, wiring fuses, protective devices, and controls.
- Monitor and operate building automation systems to control complex heating and cooling systems at efficient levels.
- Provide general repair and maintenance of mechanical, electrical, pneumatic, hydraulic, and electronic controls.
- Maintain, repair, and replace components in plumbing systems, such as pumps, valves, piping, drinking fountains, toilets, wash basins, filtration equipment, and controls for steam and hot water systems.
- Assist with continued development of preventive maintenance programs.
- Operate and maintain fire-life-safety and security systems.
- Braze, weld, and solder components to keep all facility systems working well.
- Respond immediately to building maintenance emergencies.

ADMINISTRATIVE DUTIES AND CONTINUOUS IMPROVEMENT

- Use laptop computers and other telecommunication devices to test and maintain equipment.
- Stay current with job duties by taking in-house coursework and attending assigned training sessions, workshops, and labs.

We welcome qualified individuals with disabilities who are interested in employment and will make reasonable accommodations during the hiring process in accordance with the Americans with Disabilities Act (ADA) of 1990, as amended by the Americans with Disabilities Act Amendments Act (ADAAA) of 2008.

CONDITIONS OF EMPLOYMENT

The HVAC Maintenance Technician must be willing and able to:

- Work weekends, holidays, varied shifts, hours beyond the work schedule, and emergency call-ins.
- Take steps to mitigate exposure to a variety of fumes, odors, and gases produced by various equipment and/or chemicals by wearing appropriate personal protective equipment (PPE).
- Lift and carry up to 50 pounds of material or equipment and more weight with assistance.
- Work from ladders and scaffolding.
- Work in confined crawl spaces and at considerable heights.
- Deal with a wide variety of environmental conditions in the workplace (indoor and outdoor).
- To be hired by the Milwaukee Police Department, candidates must pass an MPD background investigation before hire. Your application will be rejected if you have been convicted of a felony.

There are current HVAC Maintenance Technician 1 vacancies on Second shift (3 p.m. – 11 p.m.). The eligible list may be used to fill additional vacancies on different shifts.

MINIMUM REQUIREMENTS

1. One year of full-time experience in the maintenance and repair of HVAC/refrigeration equipment and other mechanical, electrical, and electronic automated building systems.
2. Chlorofluorocarbon (CFC) certification from State of Wisconsin Department of Safety and Professional Services (DSPS) within six months of appointment and throughout employment.
3. Valid driver's license at time of appointment and throughout employment.

Equivalent combinations of education and experience may be considered.

NOTICE: Please do not attach your academic transcripts to your employment application. The hiring department will verify candidates' education as part of the background screening process prior to extending any job offers.

DESIRABLE QUALIFICATIONS

- Building automation control system experience.
- Valid boiler operator's license (high or low pressure).

KNOWLEDGE, SKILLS, ABILITIES & OTHER CHARACTERISTICS

TECHNICAL

- Knowledge of building and mechanical preventive maintenance programs.
- Knowledge of the operation of heating, cooling, and ventilating equipment.
- Knowledge of building automation systems and related controls.
- Ability to mechanically operate and understand pneumatic and electric/electrical controls, compressors, and various HVAC equipment, including reciprocating compressors, chillers, and boilers.
- Ability to read and interpret documents, blueprints, plans, technical specifications, and sequence of operations.
- Practical knowledge of mathematics to be able to take measurements, make calculations, and use basic geometry.
- Ability to use Microsoft Office, including Excel, Word, and Outlook.
- Ability to operate, program, and use computer software used for facilities management.
- Knowledge of and ability to apply safety principles and practices as they apply to the HVAC field.

INTERPERSONAL AND CRITICAL THINKING

- Ability to work productively in both on-demand and preventive maintenance work environments.
- Verbal communication skills to effectively convey information to other staff and managers.
- Ability to work efficiently both independently and in a team environment.
- Ability to work cooperatively and effectively with coworkers and customers whose backgrounds may differ from one's own.

- Ability to apply basic troubleshooting techniques in the field and resolve problems efficiently and independently.
- Honestly and the ability to use City resources responsibly.
- Situational awareness to maintain alertness, identify potential hazards, and make good decisions.

CURRENT SALARY

The current starting salary (Pay Range 7BN) is \$50,123 annually, and the current resident incentive starting salary for City of Milwaukee residents is \$51,626. Appointment will be made in accordance with the provisions of the City of Milwaukee Salary Ordinance.

For full details of the benefits offered by the City of Milwaukee, please visit <https://city.milwaukee.gov/der/benefits>.

SELECTION PROCESS

THE SELECTION PROCESS will be job related and will consist of one or more of the following: an evaluation of education, experience and/or responses to supplemental questions; a written or performance test, a structured interview, or other assessment methods. The Department of Employee Relations reserves the right to call only the most qualified candidates to structured interviews and performance examinations. Structured interviews may include written exercises. Selection process component weights will be determined by further analysis of the job.

INITIAL FILING DATE – The selection process will be held as soon as practical after the deadline listed above. Receipt of applications may be discontinued at any time after this date without prior notice. However, recruitment may continue until the needs of the City have been met. Qualified applicants will be notified of the date, time, and place of the selection process components. Unless otherwise required by law, the City of Milwaukee will not provide alternative selection process dates or times. The applicant is responsible for attending all phases of the job selection process at the time and place designated by the City of Milwaukee.
