request shall be in writing. If an unfavorable result is reached, the [[fireman]] >>firefighter<< may seek further review but not sooner than 12 months from the last determination. Recomputation of the amount of disability benefit shall occur whenever there is a salary adjustment for [[such]] >>the<< position. [[Such]] >>The<< adjustment shall thereupon become effective at once. If the position from which the member retired under a duty disability is eliminated, then the city service commission shall determine in what manner the current annual salary shall be established for [[such]] >>the<< position for purposes of determining disability payment under this section. The widow >>or widower<< of [[such]] >>the<< member after his >>or her<< death shall receive but only during [[her]] >>their<< widowhood >>or widowerhood<< 75% of the amount of duty disability which the member received at the time of his >>or her<< death and [[such]] >>the<< percentage shall thereafter be based upon the salary of the position of [[such]] >>the<< member at the time of his death. The amount payable to the widow >>or widower<< herein shall be reduced by any amount payable concurrently to the widow >>or widower<< under subs. 31-b, c, d and 34 of this section. The period of time during which duty disability benefits shall be paid shall in no event be less than the time provided for under similar circumstances in this act prior to this amendment. It shall be of [[such]] >>the<< amount as can be provided from the amount to the credit of [[such fireman]] >>the firefighter<< on the date of his >>or her<< resignation or discharge from the service, for widow's >>or widower's<< annuity purposes if [[such fireman]] >>the firefighter<< shall be a future entrant, or for widow's >>or widower's<< annuity and widow's >>or widower's<< prior service annuity purposes if [[such fireman]] >>the firefighter<< shall be a present employee. Any [[such]] annuity shall be computed as of the age of [[such wife]] >>the spouse<< on the date of [[such]] >>the<< resignation or discharge; provided that if [[such wife]] >>the spouse<< shall be older than [[her husband]] >>the city employed spouse,<< >>his or<< her age shall be assumed to be

7. [241934](#) Substitute resolution authorizing the Milwaukee Water Works to file a simplified rate case with the Public Service Commission.

Whereas, The Milwaukee Water Works is a self-financing business enterprise of the City of Milwaukee that provides clean, safe drinking water to the City of Milwaukee and sixteen neighboring communities; and

Whereas, The Milwaukee Water Works must maintain adequate revenue to produce high quality drinking water and properly operate, maintain and repair its extensive water plants and distribution system infrastructure; and

Whereas, The Milwaukee Water Works is eligible to apply for a rate adjustment using the Simplified Rate Case process because one full calendar year has elapsed since the last rate adjustment in April 2023 and the utility's 2024 estimated rate of return of 1.2% is below the Public Service Commission of Wisconsin's benchmark rate of return of 6.2%; and

Whereas, The Simplified Rate Case process helps utilities maintain rate continuity so that customers benefit from reducing the impact of sporadic, larger rate increases; and

Whereas, the rate increase factor prescribed by the Public Service Commission for the Simplified Rate Case process for 2025 is 3%, which is an annualized increase of 1.25% for 2025 when implemented after July 31, 2025; and

Whereas, 3% would increase annual revenue by approximately \$3.2 million and the increase to the average residential customer using 15 Ccf of water per quarter would be \$2.00 per quarter or \$8.00 per year; however, the increase would be in place for less than six months in 2025 so revenue would increase by \$1.3 million and customer increase would be \$3.33 for the year; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the proper city officials are authorized and directed to apply to the Public Service Commission of Wisconsin for a 3% water rate increase using the simplified rate case process; and, be it

Further Resolved, That the rate increase will not be effective before July 31, 2025.

ADOPTION OF THE FOLLOWING:

26. [241635](#) Substitute resolution amending Common Council File Number 231757 relating to the acceptance and expenditure of a Cities Forward grant.

Whereas, Cities Forward is a non-profit organization that works to prioritize participation in our democracy by supporting cities in the development of nonpartisan, city-driven projects to boost civic participation and by helping cities strengthen the infrastructure of civic engagement; and

Whereas, The City of Milwaukee is eligible for a Cities Forward grant to fund nonpartisan civic engagement; and

Whereas, This grant project would serve the public purpose of planning and implementing a citywide civic engagement campaign in the City of Milwaukee to increase civic literacy; and

Whereas, This grant project would work to increase civic literacy by funding the creation of a website where residents can access government programs and services by category of need and locate nonpartisan voter information, by funding a street outreach team to attend events and promote City programs, and by funding a communications campaign to engage residents in City of Milwaukee programs and services more effectively; and

Whereas, This grant project also created one full-time Community Relations and Engagement Director position and five part-time Temporary Community Education Assistant positions; and

Whereas, The additional funding provided for this grant project would establish Civic Corners in MPL branches with resources on voting, government functions, and civic engagement, and facilitate quarterly civic programs on relevant civic topics, and library-based field trips in partnership with educators, featuring interactive activities like voting simulations and problem-solving civic challenges.

Whereas, The operation of this grant project from March 4, 2024 to March 31, 2026 would cost \$475,000, with no City match; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Milwaukee Public Library is authorized to accept and expend the Cities Forward grant without further approval unless the terms of the grant change as indicated in s. 304-81, Milwaukee Code of Ordinance; and, be it

Further Resolved, That the City Comptroller is authorized to:

1. Commit funds within the Project/Grant Parent of the 2024 Special Revenue--Grant and Aid Projects Fund, the following amounts for the project titled Cities Forward-Civic Engagement Library Program Grant:

Proj/Grant	Fund	Org	Program	BuYr
GR0002400000	0150	9990	0001	0000

Subclass	Acct	Project	Amount
R999	000600	Grantor Share	\$475,000

2. Create the necessary Special Revenue Fund - Grant and Aid Project/Grant and Project Level values; budget to these Project/Grant values the amount required under the grant agreement; and, be it

Further Resolved, That these funds are budgeted for Milwaukee Public Library which is authorized to expend from the amount budgeted for specified purposes as indicated in the grant budget and incur costs consistent with the award date; and, be it

Further Resolved, That the Common Council directs that the 2025 Positions Ordinance, Common Council File Number 240765, be amended as follows:

Under LIBRARY

ADMINISTRATIVE SERVICES DECISION UNIT

COMMUNICATIONS AND MARKETING DIVISION

Add one position of:

Civic Engagement Services Manager (X)(M)

Council Contingent Fund to the 2025 Damages and Claims Fund Special Purpose Account and reserving and appropriating \$200,000 from the 2025 Common Council Contingent Fund to the 2025 Outside Counsel/Expert Witness Fund Special Purpose Account.

Whereas, settlements and payment of judgments to date in 2025 exceed the 2025 appropriation for the Damages and Claims Fund Special Purpose Account (SPA); and

Whereas, settlements will require \$1,500,000 and the City Attorney anticipates that additional funds will be necessary to meet the City's financial obligations imposed by pending settlements; and

Whereas, costs for outside counsel to date in 2025 exceed the 2025 appropriation for the Outside Counsel/Expert Witness Fund Special Purpose Account (SPA); and

Whereas, outside counsel costs will require \$200,000 of additional funds to meet the City's financial obligations to outside counsel; now, therefore, be it
