Subject: *Introduction of File Related to Acceptance of a Mobile Satellite Internet System from the Wisconsin Department of Health and Family Services*

Dear Honorable Members:

Please accept for introduction at the meeting of November 3, 2004, the attached file related to acceptance of a mobile satellite internet system from the Wisconsin Department of Health and Family Services.

The satellite internet system will be used by the Milwaukee Fire Department's HazMat Team to transmit sample information to and from the State Laboratory of Hygiene in the event that phone communications are not available. This system will ensure the rapid identification of suspicious liquids and solids throughout the Milwaukee region. The estimated value of this equipment is \$21,000.

Please call Battalion Chief Michael Labinski (x8943) or Business Finance Manager Sandra Rotar (x5281) with any questions.

Respectfully submitted,

WILLIAM WENTLANDT
Chief
