Alderman Michael D'Amato
200 E Wells St. RM 205
Milwaukee, WI 53202

Dear Alderman D'Amato:

I work for a Property Management company called Pockross Management. We own a building at 1026 E. Lyon Street on the Eastside of Milwaukee. I am writing this letter as a petition to change the parking on East Lyon Street. We petition to implement the "2 inch" rule on East Lyon Street, stating that if there is less than two inches of snow fall we are allowed double sided street parking on Lyon Street.

Sincerely,

Larry Kosberg
Building Manager
