3. On 02/06/10, Milwaukee police were dispatched to 3250 N 2nd Street for a Drug Dealing complaint. Officers spoke with the bartender Nicole Spillers who stated earlier in the evening a female entered the tavern and wanted her boyfriend to leave the tavern. The female was asked to leave and when she did, broke the glass on the front door. Spillers believed that the female was the one who made the call regarding the drug dealing complaint. A check of the tavern found no evidence of drug dealing. No tavern violations were observed.
4. On 03/12/10 at 12:18 am, Milwaukee police were dispatched to 2nd and Concordia for a Shots Fired complaint. Investigation found two subjects were arguing in front of the tavern when one actor pulled out a gun and started firing shots at the other subject. Officers were able to view video surveillance that was provided by the tavern owner Jimmy Jordan, which showed the incident. The tape however was in black and white and was blurry. The time on the video also didn't correspond with the actual time of the incident taking place. Casings were found in front of the tavern and were placed on police inventory. Area hospitals were checked for a shooting victim but none were found. Officers also spoke with the bartender Nicole Spillers who stated she heard shots but did not know who was shooting outside. Officers also spoke with the doorman John Wright who stated he heard about 16 shots being fired and when he looked outside, did not observe who was shooting the gun.

=====

5. On 05/26/13, Milwaukee police were dispatched to a Shooting at 3250 N 2nd Street. Investigation revealed that two victims of the shooting had been previously inside the bar. One victim was the DJ who had been performing at the bar, with the second victim being a friend of the DJ, who was a patron. Both subjects had exited the bar to have a cigarette and while outside, were approached by 2-3 males who were armed with guns. The suspects ordered the victims, as well as several other patrons who were outside smoking, to the ground and began going through their pockets. Prior to leaving and possibly before the searching of the pockets, the suspects shot each of the victims once to their right leg. The suspects fled after obtaining money and property from the victims. It is possible that the suspects may have been in the bar previous to the robbery/shooting. The bar's surveillance video depicts not only the lead up to the incident, but what the owner said was the possible two suspects.

=====

6. On 02/15/2015 Milwaukee police conducted a licensed premise check at 3250 North 2nd Street. Officers discovered patrons inside the business who had not yet attained the legal drinking age of 21 as well as a subject who was armed with a handgun. Milwaukee police incident report #150460010 filed.

- =====
7. On 01/04/2020 officers were dispatched to a fight at Glass Slipper bar, 3250 N. 2nd St. The investigation revealed a female was at the bar with friends. A male subject observed the female taking with other men. The male became upset and struck the female several times. The male was located and arrested. The applicant called the police and reported the incident.
 8. On 01/01/2021 at 1:33am officers conducted a license premise check at Glass Slipper, 3250 N. 2nd St. The officers spoke with the applicant, who stated the night was slow. The officer asked to see the licenses and the applicant showed them to the officers. The licenses showed an expiration date of 12/20/2020. The officers checked LIRA and found the business did not

have a valid license to operate. The applicant provided an email dated 12/04/2020 that showed he had applied for a renewal.

9. On 10/11/22 at 1:49am., officers were dispatched to a Shooting complaint at 3250 N. 2nd St. Officers were flagged down by an employee stating there were shooting victims in side the bar. Officers located two victims inside the bar, both with multiple, non-fatal gun shot wounds. Officers observed a large pool of blood beneath the seat of one of the victims. Officers located a scene outside the tavern, where numerous casings were recovered as well as a blood trail, which led to the rear of the tavern, where more casings were recovered. Numerous small bottles of liquor were observed with a price tag on them and the employees were advised regarding liquor sales past 9pm, and allowing patrons to leave the location with the purchases. The agent and an employee were interviewed and were cooperative with the investigation.

=====

10. On 03/09/23 at 12:10a.m., Milwaukee Police conducted a License Premise Check at 3250 N 2nd St.. The only violation officers were made aware was the sale of liquor and mixed drinks. The agent thought the laws changed during COVID and was not aware that he cannot sell bottles of liquor or mixed drinks to go. The officers advised the agent this was most likely a violation and would get a solid answer and advise them. All licenses were valid; employees and agent were cooperative

INITIAL INVESTIGATION

Burlo, Nora R 029787

03/15/2023

This license premise report is written by PO Nora BURLO, assigned to District Five, Late Power Shift, Sq. 5468 with PO James TERRELL.

On 3/9/23 at 12:10 AM, we conducted a license check of the Glass Slipper (3250 N 2nd St), which is a licensed premise in the city of Milwaukee.

Upon arrival we spoke to **Jimmy D JORDAN (b/m, 12/24/46)**, who is the owner and agent of the location which is a licensed Class B Tavern. JORDAN showed me the Class B License (# 029960) which is set to expire 03/22/23. I was also shown the Food Dealer License (0017075) which expires 3/22/23, along with the Public Entertainment License (#0007226). The listed agent on all licenses is JORDAN.

While at the location, we also spoke with the bartender, **Nequnda M JONES (b/f, 4/20/82)** who is a licensed Class D Operator (BART-21-03370). Although PO TERRELL and I met with JONES who stated she was the bartender at the location on the listed date, we observed a male subject identified as **Judell D WALKER (b/m, 3/29/89)** behind the bar making drinks and handling money. WALKER stated he is JONES' son and helps out regularly. He was bartending under the supervision of JONES, who I observed in eyesight of WALKER.

JORDAN, JONES and WALKER were cooperative and pleasant with officers. We all discussed how they serve the patrons of the establishment, as PO TERRELL and I observed several signs on the exterior door, and taped to the surrounding trees which stated, "NO CURBSIDE SERVICE". The signs were neon green/yellow in color. I observed this as an attempt to inform the patrons that liquor sales will no longer be provided outside of the location. JORDAN and JONES both informed officers that when Covid was hindering their sales, they would provide the patrons with curbside sales. JORDAN and JONES stated they

do have small bottles (1pint) of hard liquor that patrons can purchase, with a large sign over the bar that has pricing on it. JORDAN and JONES both stated they do still provide the bottles for their patrons to purchase but now they have the patrons open the bottles inside of the business and take "at least one sip" out of the bottles before they can exit the establishment with them. They informed officers they also provide mixed drinks in clear plastic cups that they seal with tape, which patrons can purchase to take "on the go".

I informed both JORDAN and JONES that their current practices are likely not allowed. They stated when Covid came about, they thought the ordinance changed to accommodate their business. I informed them I would get a solid answer and inform them of my findings. PO TERRELL and I did not observe a Class A Distributor's License posted anywhere.

PO TERRELL and I will be conducting follow-up regarding.

End of report.
