Honorable James A. Bohl, Jr.
Alderman, 5th Aldermanic District
Room 205, City Hall

SUBJECT: 5th ALD. DIST. - FILE #141215
INSTALL STOP SIGNS ON WEST LOCUST STREET
AT NORTH 86TH STREET

Dear Alderman Bohl:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the northeast corner of the intersection in the form of a hill that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Honorable Robert Bauman
Alderman, 4th Aldermanic District
Room 205, City Hall

SUBJECT: 4th ALD. DIST. - FILE #141215
INSTALL ALL-WAY STOP ON WEST JUNEAU AVENUE
AND NORTH 8TH STREET; AND ON WEST JUNEAU AVENUE
AND NORTH 9TH STREET; AND ON WEST JUNEAU AVENUE
AND NORTH 10TH STREET

Dear Alderman Bauman:

Due to the new geometric configuration of the above-captioned intersections, done in conjunction with the installation of the angle parking down the center of West Juneau Avenue between North 8th Street and North 11th Street, there is a need to change the present traffic controls at the intersections to all-way stop controls in the interest of public safety.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
