NOTICE OF PUBLIC HEARING

**CITY OF MILWAUKEE - City Plan Commission
809 North Broadway
Milwaukee, Wisconsin**

March 13, 2024

PLEASE NOTE: A zoning change is being considered for the property within the boundary shown on the map on the reverse side of this notice. If your property is not within the zoning boundary, then you are receiving this notice because your property address is within 200 feet.

DEAR PERSON OF INTEREST:

The Common Council has referred File No. 231461 to the City Plan Commission (CPC) for recommendation. This file relates to the change in zoning from Industrial Commercial, IC, to Industrial Mixed, IM, for the properties located at 324 North 15th Street and 1357-1439 West St. Paul Avenue, on the south side of West St. Paul Avenue, west of North 13th Street, in the 4th Aldermanic District.

In 2016, the Industrial Commercial (IC) zoning district was created to promote light manufacturing, office and certain commercial uses while restricting residential. This district also provides for the orderly conversion of certain older industrial and warehousing buildings to commercial and office uses with less traffic generation than uses located on more intensive commercial retail corridors. Retail uses are considered accessory or complementary to the primarily light manufacturing nature of the district. Consistent with the recommendations of the Menomonee Valley 2.0 Plan, St. Paul Avenue from N. 9th Street to N. 25th Street was rezoned to IC in 2016.

The currently proposed zoning change to rezone this site from IC to IM was requested by Sunset Investors St. Paul, LLC to allow other uses on the two sites including but not limited to multi-family residential and an animal boarding facility. **Please refer to the reverse side of this notice for map details.**
