Subject: RE: Regards to Class A Liquor License for National Food Mart, owned and operated by Mr. Andre Farrington

Hello, once again, to whom it may concern,

In light of deeper reflection and conversations with other community members, I would like to retract and recant my original statement in regards to the approval of a Class A Liquor License for National Food Mart, located at 530 W National Ave. Clearly, I was originally, as of yesterday, not in favor of issuing such a license to someone with such a record.

While clearly there is evidence of there being a higher risk for an unexperienced business owner and felon, who is not a resident of the Walker's Point community/neighborhood, to be given the permission and license to sell bulk amounts of wholesale alcohol near a high school, I do believe that Mr. Farrington **should not**, once again, be, "punished again" for crimes he has committed in the past.

I believe his intent is surely to increase revenues for National Food Mart, as every rational business owner surely shares this aim. I have also been informed of his excellent reputation, as of his first involvement with the business

So, with that being said, and while there is certainly and objectively more risk involved by licensing a Class A Liquor License to a felon with a violent criminal record, I do think the committee and members of Walker's Point owe it to him and the majority-minority population that National Food Mart serves the opportunity to allow his business to seek more revenues as a result of allowing the sale of alcohol. Our aim should be to advocate for a more diverse and inclusive neighborhood, as that is the history of Walker's Point and the City of Milwaukee that we as citizens have a moral obligation and duty to honor.

If Mr. Farrington turns-out to have problems with the application of the license he applied for, if issued, then it can simply be taken away, or non-renewed. May this act as a vote for giving Mr. Farrington a chance at increasing his revenues and keeping the area and City diverse, and therefore, strong.

Thank you,

Subject: Regards to Class A Liquor License for National Food Mart, owned and operated by Mr. Andre Farrington

To whom it may concern,

Hello! I hail from Walker's Point, a shining example of Milwaukee's greatest strengths. I am an active community member, and I have great concern for the potential approval of a Class A Liquor License for National Food Mart, located at 530 W National Ave. Some citizens, myself included, are aware that the business (not the property) changed ownership during 2016 and is now being run by a Mr. Andre Farrington. In reviewing the application, I see the following, of which are extremely major concerns for the Walker's Point community, but also, for any community in general:

- Mr. Farrington has (on his record) extremely alarming, violent convictions. Below are SOME of his crimes:
 - 2nd degree reckless homicide (Class C Felony)
 - Possession with Intent to Deliver (Class E Felony)
 - Battery

To me, what is true and listed above should make this an, "open and shut" case for your committee. If he has proven to be reckless with human life, is anyone willing to take the risk of him being reckless with the sale of alcohol? Whether or not Mr. Farrington is rehabilitated to the satisfaction of the State is not the issue, it is that he has committed these crimes in the past and therefore, has the potential to reoffend or commit more crimes, regardless of his current status. Not to mention, there is more risk for fraud, malpractice, or criminal activity as Mr. Farrington will be the sole owner of the business. There is NO check and balance with ownership of National Food Mart.

- Mr. Farrington has no previous experience running this type of business (again, he is now the sole owner)
- He does not own the building and lives outside of the neighborhood (therefore, what is his incentive to contribute to the community, other than maximize profits for himself?)

Thank you, and I hope the City will consider the possibility of denying a Class A Liquor License for National Food Mart, now owned by Mr. Andre Farrington.

To the licensing review committee:

National Food Mart at 530 W National Ave has applied for a Class A liquor license.

I would like to submit that there are already a number of businesses selling liquor within a small radius. I patronize one of those places.

The proposed location, on busy National Avenue, is likely to present unwanted traffic and potential danger. My wife and I live less than a block away. The neighborhood is growing with families and apartment dwellers. There is no parking for customers at 530 W. National except for a few metered spaces on the street and the likelihood of more traffic stopping for alcohol does not portend a healthy situation. I think it behooves us to ask the police how many people are stopped in this area of National Avenue for speeding and other unlawful activities. I am not against the sale of alcohol in my neighborhood. The owners of the nearby nightclub Jinx have proved to be responsible and reliable neighbors, but I hasten to stress that they do not sell alcohol to all comers on a busy street largely inhabited by teenagers in transit and ballet dancers.

It is my impression that this store currently is mainly an outlet for high school students and bus patrons to buy snacks and cigarettes. Auto and truck traffic is already problematic without having who knows how big an uptick in people stopping to buy intoxicating substances from a shop owner who is a former felon who has reputedly been convicted of 1st degree reckless homicide, possession with intent to deliver and domestic violence. It is in my nature to give people a second chance, but in this case the odds seem to be against a positive outcome.

Hello-
National Food Mart at 530 W National Ave, has applied for a Class -A liquor license.

I own the building adjoining to West National Ave.

This building has a live music club on the first floor, and art studios on the second floor. This building is fully leased.

There is a bus stop in front of these buildings. We have problems with litter, loitering, prostitution, vomiting and urination often and regularly.

I strenuously object to the granting of this Liquor License.

There is information that the business owner has convictions for

- 1st degree reckless homicide
- Possession with intent to deliver
- Domestic violence

Business owner does not own the property.

I am writing to express my concern and objection to giving a Class A Liquor license to National Food Mart.

The business owner has no prior experience running this type of business, at the very least, he should have one year clean service selling food and cigarettes and completed his Responsible Beverage Server Training.

In addition, Mr Farrington has several convictions including,

- o 1st degree reckless homicide
- o Possession with intent to deliver
- o Domestic violence

I believe he needs to show that he can run a good business before he expands his service to include Class A liquor.

To the Licensing Committee,

I am writing to oppose a Class A Liquor and Malt License for the National Food Mart, 530 W National Ave (Andre T. Farrington).

A liquor store at this address would have profoundly negative impact on the safety, health and welfare of our neighborhood for the following reasons based on my 12 year residency in a neighboring business current convenience store: this

- There already is a substantial liquor store on First Street in a more appropriate transit strip mall so one is not needed here.
- Being on a busy thoroughfare, National Avenue, would promote constant stopping in front by people with no ties to good behavior. As it is we have several bars and nightclubs in the immediate vicinity who in good faith struggle

to control the outpouring of drunks - we don't need to return to having them on our doorsteps with a bottle in a bag.

- The over 70 immediate residents here on National between 5th and 6th Streets don't need this, in fact the lack of breadth of food stuffs offered now in the convenience doesn't make it convenient other than for cigarettes.
- Currently the high school students from Bradley Tech High School comprise a large portion of patrons of this store for snacks. The bus stop which is nearly in front is one of the busiest transit points for these students. Mixing alcohol with candy is dangerous.
- I greatly appreciate efforts to create new and creative businesses like a blues club, Brenner Brewing, Mobcraft, Fuel, Hamberger Mary's, artists/architects studios - the list goes on. They add to the richness of the area while putting alcohol in a well considered and well regulated role. They build ongoing relationships with their clients and take responsibility for their behavior.
- Drive by business is a problem in an area which is struggling with improving what has been a history climate of prostitution and drug dealing - problems which go hand-in-hand with easy alcohol on the streets.
- Many younger children and parents frequent the Milwaukee Ballet which is right here. The neighborhood values the cultural presence of the Ballet and a liquor store would not give a good message to their clients, parents and students. There is a grade school only a little over a block away.

Therefore I am very strongly against this petition.

I recommend that the applicant think carefully about how they can make their business offer something unique and needed.

Sincerely,

I would like to register an objection to granting The National Food Mart LLC a license to sell liquor on the grounds that there are a sufficiency of venues that already do so in our neighborhood and we do not need to facilitate drinking alcohol on our doorstep beyond what already exists. As things stand, we find discarded liquor bottles on our doorstep and in the alley adjacent to our building on a regular basis, as well as the occasional inebriated body slumped over in both places.

Hi Niel,

Mr. Farrington has no known AODA issues and there is no nexus to his crime that would suggest that issuing him this liquor license would be an issue.

Hello, Kristine. Not sure if you were made aware previously about this request. Please let me know if we are in support of this license being granted or not. If you need a copy of the official form, Angela Allgood should have one.

Good afternoon,

Could I get a status update on the request of

Andre T. Farrington
DOB 11/17/1977
2535 N 60th Street, Milwaukee, WI 53210

He has applied for a Class A malt and Class A liquor license to operate National Food Mart at 530 W National Ave. A request was made as to whether the supervising agent would be in support or oppose to him obtaining such licensure. Could we have an update as to the recommendation?

Regards,

Jason

PA-33E Narrative

This report is written by PO Eliel CONTRERAS assigned to District 2, Late Power Shift.

On Friday, 2-26-16, at approximately 12:56am Squad 2330 (PO Jose RAMIREZ and PO Francisco CARTAGENA) was dispatched to S 11th St and W Burnham St (CAD# 160570111). for a Shooting Complaint. Upon arriving on scene, it was determined to be an Aggravated Battery Complaint (IR# 160570008).

PO RAMIREZ observed that the victim, Jorge L CHICO (W/M 12-17-82), had blood in the back of his head with a 1-2 inch laceration. While investigating the incident, PO RAMIREZ observed that CHICO was highly intoxicated and had alcohol emanating from his breath and person. CHICO was being very uncooperative and combative with police, MFD, and Froedtert personnel who were trying to administer aid to him and his injuries.

The only information CHICO provided regarding his injuries was that he was drinking at La Carreta Vieja (1339 W Greenfield Ave) with his sister. While at the establishment, CHICO stated his sister was in a fight and intervened. CHICO then stated he was beat up by unknown individuals.

At approximately 2:00am Squad 2360 (PO Adam BOEHM and PO Oscar PICENO) Squad 2321 (PO Peter ULATOSWKI) and Squad 2310 (Sgt. THORNE) responded to La Carreta Vieja (1339 W Greenfield Ave) to locate a scene. Upon arriving on scene, police attempted to enter establishment but were not able to because it was close for the night.

On Friday, 2-26-16, at approximately 8:13pm I, Squad 2464, along with Squad 2231 (PO Julian Nunez) and Squad 2450 (PO Richard TOLENTINO and PO David CABRAL) responded to La Carreta Vieja (1339 W Greenfield Ave) to speak with the licensee, Abel SANTOS (W/M 7-30-68) regarding the incident. Upon arriving on scene, I spoke with SANTOS.

SANTOS stated he was aware why the police were there. SANTOS stated last night he had a patron, who was later identified as Jorge L CHICO, who was highly intoxicated. SANTOS stated he asked security to escort him out because they were not going to serve him any more. While escorting CHICO out, SANTOS stated he was informed by security that CHICO had lost his balance and fell down the stairs. Upon hearing this, SANTOS stated he went downstairs to help security with CHICO.

While trying to help CHICO, SANTOS stated CHICO swung at him and hit him in the face with a closed fist. SANTOS stated he instantly in self-defense hit CHICO back causing him to fall back and land outside.

SANTOS stated after hitting CHICO, he felt really bad and attempted to help CHICO again. SANTOS offered to get an ambulance for CHICO but CHICO got combative again and stated he did not want help from them. At that point to avoid any more trouble, SANTOS stated they he instructed his security to CHICO alone. SANTOS then stated as CHICO walked away he turned around and pointed his finger at security and stated he was going to come back for him. SANTOS then stated CHICO left and never came back.

I asked SANTOS why he didn't call the police and he stated he was honestly scared and thought he was going to get in trouble. I told SANTOS since he did not hit CHICO first it could have been explained especially if there was video footage. I then asked SANTOS if he had video footage to collaborate his story and he stated yes.

SANTOS then proceeded to take us to his basement where he kept his video recording system. SANTOS then showed us the video footage of the incident. After viewing the video footage, it was determined the video footage collaborated SANTOS' account of what happened.

The following is a brief synopsis of the video footage.

At approximately 12:28am CHICO is observed sitting at a bar stool when security approach him and escort him out of the establishment.

At approximately 12:33am CHICO is observed falling down the flight of stairs and landing at the bottom of the stairs. The footage then depicts security following behind and attempting to help CHICO up. The footage then shows one of the security guards walk up the stairs to get SANTOS. The footage then shows SANTOS walking down the stairs and attempts to help CHICO get up.

At approximately 12:39am CHICO punches SANTOS in the face and SANTOS reacts and punches him back causing CHICO to fall back and land outside. The footage then shows SANTOS and security trying to lift him up.

This concludes my brief synopsis of the video footage.

SANTOS did have cameras on the outside of the establishment facing the main entrance but stated they were not working.

One of SANTOS' employees was able to down load the video footage for us. SANTOS was given a PP-33 form receipt.

While on scene, I did conduct a license premise check. I did not observe any visible violations while conducting the license check. I informed SANTOS I would be filing a license premise report regarding the incident.

Before leaving the establishment, I informed SANTOS that he needed to call the police whenever he had an incident regardless of the outcome. SANTOS stated he would.

End of report.

Upon arrival, I interviewed the security guard at the listed location, who identified himself as Armando D DELEON (w/m, 8/30/1982). DELEON stated on the listed date, at approximately 12:20 am, an unknown subject caused disturbance at the location. DELEON described the subject as a hispanic male, late 20's or early 30's, long dark hair, glasses, wearing a blue and green checkered T-Shirt and blue jeans. DELEON stated the subject had several tattoos, including his neck, had visible scars on his torso, and stated he had served 10 years in prison.

DELEON stated the subject was driving a navy blue GMC Jimmy, with white skull stickers on the driver's bottom side, and a WI registration plate # 351YSS. DELEON stated the subject had been at the listed location in the past, but was unable provide me with a name.

DELEON stated the subject was asked to leave the location, and while outside, he began to yell profanities, stated it was his block, and that he had nothing to loose because he could make more money in prison than out in the streets. DELEON stated subject was alone at that time.

DELEON stated the subject then got inside of the described vehicle, and drove away east bound on W Greenfield Av. It should be noted the registration plate DELEON provided did not list to the described vehicle.

After speaking with DELEON, I entered the establishment and spoke to the licensee, identified as Abel SANTOS (w/m, 7/30/1968). I informed SANTOS I would be conducting a license premise check.

While on scene, I did not observed any visible violations and SANTOS was cooperative.

End of report.

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 5/16/2017 at 10:45 AM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.

 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
