Subject: 3727 W. Galena

Good afternoon, Kevin,

Per our conversation earlier, Pres. Hines wishes to object to the corner store/food application at 3727 W. Galena. Crime in this area has decreased significantly since the previous store closed. (After a fire.) We have no reason to believe that this new applicant would do any better. In fact, based on conversations with residents and others, it appears that the store would be poorly run.

It is our understanding that MPD has met with the applicant and also has significant concerns about a corner store at this location. I will cc Cpt. Domagalski, in case he/MPD would like to be on record with any of those concerns. I will also cc Judy Pal, Chief Flynn's chief of staff, who has expressed a desire for MPD to be more active in these proceedings, if possible.

Thank you,
Alex
