Re: CCFN 031244 - A substitute ordinance relating to zoning regulations
for family day care homes and day care center

Dear Council Members:

The above-referenced file, which has been approved by the Committee on Zoning, Neighborhoods and Development, has been referred to this office for review as to legality and enforceability. We have not yet completed that review, because of a concern as to whether the proposed ordinance incorporated within this file is consistent with State law.

Our review with respect to this matter is still in progress, and we anticipate that it will be completed within the next few weeks, but not likely in time for the next regularly scheduled Common Council meeting on April 13, 2004. We do anticipate that our review will be completed within the next few weeks, in time for the ensuing regularly scheduled Common Council meeting, and we therefore request that this file be held until that time. We appreciate your consideration and patience.

Very truly yours,

GRANT F. LANGLEY
City Attorney
