Description of work Install projecting blade sign in center of storefront above storefront windows. Signage to be type A, with halo-lighted, pin set letters and routed letters in aluminum cabinet.
Date issued 8/21/2013 PTS ID 89507 COA, signage

In accordance with the provisions of Section 320-21 (11) and (12) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines. The following conditions apply to this certificate of appropriateness:

All work will be done according to attached drawings and specifications. Any lettering on storefront glass must be confined to the lower quarter or upper quarter of any individual glass sheet and must cover no more than 25% of any individual glass panel. Hours of operation on the entry door are excepted.

All work must be done in a craftsman-like manner, and must be completed within one year of the date this certificate was issued. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations. If you require technical assistance, please contact Paul Jakubovich of the Historic Preservation staff as follows: Phone: (414) 286-5712 Fax: (414) 286-3004 E-mail: pjakub@milwaukee.gov.

If permits are required, you are responsible for obtaining them from the Milwaukee Development Center. If you have questions about permit requirements, please consult the Development Center's web site, www.milwaukee.gov/build, or call (414) 286-8210.
