REF: File Number 030620 – Resolution relating to the placement and maintenance of various pieces of sculpture in Catalano Square by Business Improvement District Number 2

At the request of the Public Improvements Committee, the Milwaukee Arts Board took up the matter of reviewing the above referenced file at its Tuesday, October 14th, 2003 regular meeting. The Board was asked to comment on the resolution regarding placement and maintenance of various pieces of sculpture in Catalano Square by Business Improvement District (BID) Number 2.

Arts Board members in attendance reviewed the resolution as well as the sculpture file photos provided, and agreed that Catalano Square was an appropriate space for placement of artwork such as the sculpture suggested. The Board also had no objections to the BID's plans to construct a concrete pad for the sculpture, nor to its ongoing maintenance of the site.

Thank you for the opportunity to review and comment on this project. Should the committee have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Ald. Michael Murphy, Chair
Milwaukee Arts Board
