Dear Council Members:

Please find attached a "Title Only" resolution for introduction at the next Common Council meeting. It is our intent to insert the body of the resolution in this jacket prior to the July 19, 2006 meeting of the Public Works Committee.

This resolution will authorize the Commissioner of Public Works to execute an agreement with the Wisconsin Department of Transportation for funding, and to install street light equipment, traffic control signage, and traffic control signals on West Wisconsin Avenue from North 10<sup>th</sup> Street to North 4<sup>th</sup> Street under the Federal Congestion Mitigation/Air Quality Program, with street lighting, traffic control signage, and traffic signals to be installed in conjunction with streetscape improvements constructed in the summer and fall of 2006.

Very truly yours,
