To the Honorable Common Council  
Steering and Rules Committee  
City of Milwaukee

Dear Committee Members:

File No. 090882 approves the Citywide Policy Plan as an element of Milwaukee's Overall Comprehensive Plan.

Comprehensive plans, when approved, provide guidance for the City regarding the use and development of the area, encourage common understanding and coordination among different levels of government and private interests and will facilitate implementation of catalytic projects as well as other elements of the plan.

A public hearing was held at the February 15, 2010, City Plan Commission meeting at which time several public comments were received regarding issues such as transportation and plan implementation. At its regular meeting on February 15, 2010, the City Plan Commission recommended approval of the subject Plan.

Sincerely,

Rocky Marcoux  
Executive Secretary  
City Plan Commission of Milwaukee
