Subject: RE: Cleaning on Oakland

Dear board members,

I had an opportunity to voice my concern at the meeting. A majority of the trash I deal with is from the weekends and Little Caesars. Little Caesars continues to struggle emptying their trash containers at night and this leads to overflows. Then the local rodent and homeless population dig through the receptacles and leave a trail going in to the park. The wind then helps move it around the neighborhood. This only increases during the busier weekends and with the increased traffic of consumers.

The Miramar has events starting Thursday nights. This is typically when I see cars filling my lot and the parking on the street full of collage aged kids. They typically hang out and leave behind the trash in the lots, streets , and on window ledges. I have staff to take care of my property and we are accustomed to doing so daily, but the entire street is affected.

The biggest opportunity for all of us continues to be Little Caesars and the cleanliness that is lacking.

As for opportunities, the garbage service would need to be available on weekend mornings.

Thank you and please call with any questions.

REDACTED RECORD

Yesterday we had our meeting of the Oakland Avenue BID Board. People noticed and were pleased with the weed clean-up.

There were a few Board members who had questions and suggestions regarding the cleaning service we are receiving. There seems to be a particular problem on the south end of the 2800 block.

I've copied our board members _____ and _____ on this e-mail. I would request that you or someone from your staff reach out to each of them so that we can address their concerns.

If you don't mind, please check in with me after your discussions so I can be updated on what solutions you'll be adopting.

Thank you,

ADDITIONAL COMMENTS/RECOMMENDATIONS:

This report is being submitted by Officer Carlos Felix assigned to District Six. On Monday May 5, 2018 at 1:20PM Officer Joshua Dumann and I Conducted a CPTED inspection at the property, which is not open for business and under construction.

The Licensee/Agent Richard Duval met us at the property. Richard stated that capacity was 69 for the previous business, but would not know the new limit until the city inspector conducted an inspection. There are plans for interior and exterior cameras, but at this time they are not installed. There is a rear patio, which Richard plans to use as an extension of the business. This was the end of the CPTED.
