

RESUME - Troy L. Reese

Objective

To cultivate relationships with strategic alliances who can assist in penetrating economic development opportunities and business in the greater Milwaukee area.

Professional Experience

Rainbow International Restoration of Milwaukee – Milwaukee, Wisconsin 2014-Current
President/Owner

Rainbow International® is a nationally recognized leader in the restoration and cleaning industry. The primary business focus is Water, Fire, Mold, Smoke and Odor damage in emergency situations.

Responsibilities include:

- Safety
- Team member recruitment.
- New business development.
- Establishing operations responsive to long range corporate objectives for growth and profit.
- Strategic planning and identifying cost-saving measures.

Key Achievements

- Successfully completed all projects to date with Zero Lost Time Injuries to any team member or trade partner.
- All projects have been delivered with high quality while meeting or exceeding our profit margin.

T. L. Reese Corporation – Milwaukee, Wisconsin 2005-Current
President/Owner

As an innovative entrepreneur established T. L. Reese Corporation with two construction divisions (T. L. Reese Construction, LLC and T. L. Reese Homes, LLC), a property management company (T. L. Reese Properties) and a electrical service and contracting company (T. L. Reese Electrical Systems). The primary business focus is on the construction, maintenance and management of residential and commercial facilities.

Responsibilities include:

- Safety
- Team member recruitment.
- New business development.
- Establishing operations responsive to long range corporate objectives for growth and profit.
- Strategic planning and identifying cost-saving measures.

Key Achievements

- Established T. L. Reese Corporation as a reputable brand in the construction industry the first year in business.
- Successfully estimated and negotiated projects in excess of \$20 million.
- Completed 2006 through 2009 with Zero Lost Time Injuries to any team member or trade partner on all projects to date.
- All projects have been delivered with high quality while meeting or exceeding our profit margin.

J. F. Cook Co., Inc. – Oak Creek, Wisconsin 7/2009-1/2010
President/Owner

In July of 2009 Troy acquired the majority interest in J. F. Cook Co., Inc. (installation & distribution of Overhead Doors, Marvin Windows and commercial glazing). He successfully owned and operated the company until January 2010 when he sold his ownership in the organization.

M. A. Mortenson Company – Brookfield, Wisconsin 1992-2005
Construction Superintendent

Served as Carpenter Apprentice, Journeyman Carpenter, Carpenter Foreman and Construction Superintendent on over \$200 million in construction projects.

RESUME (Continued) - Troy L. Reese

Full responsibility for complete account and facility construction management services for the company's elite Wisconsin clients.

- New business development.
- Estimating and budget development.
- Construction and manpower coordination.
- Project and resource scheduling.
- Construction and facility management.
- Creation and implementation of safety, quality and production initiatives.
- Safety leadership and policy team member.

Key Achievements

- Completed all projects with zero lost work day injuries to any Team Members.
- All projects were delivered with high quality while meeting or exceeding our profit margin.
- Precision construction of fifteen Level 1 trauma center operating rooms (separated by 5/8" of drywall) while procedures in adjacent OR's were performed. Project was completed without disruptions or shutdowns allowing patient care revenue to continue without interruption.
- Within 4 months, successfully established the M. A. Mortenson brand on a long awaited account previously held by a competing contractor for over 20 years. This relationship has led to lucrative opportunities that are ongoing today.
