

August 23, 2006

To the Honorable, the Common Council

Subject: South Whitnall Avenue Storm  
Sewer Maintenance Agreement

Dear Council Members:

The City of Milwaukee, in conjunction with the Wisconsin Department of Transportation (WISDOT) completed the reconstruction of South Whitnall Avenue between Old South Brust Avenue and South Clement Avenue in 2001. The roadway reconstruction project included the construction of storm sewer main and related appurtenances in the Cities of Milwaukee and St. Francis. We have drafted a Maintenance Agreement which addresses ownership, operation, and maintenance of the aforementioned storm sewer system. The attached resolution authorizes the Commissioner of Public Works to execute the Maintenance Agreement with the City of St. Francis which will formalize the various responsibilities associated with the storm sewer.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes, P.E.  
Commissioner of Public Works
