To the Honorable Common Council

Dear Honorable Members:

On June 12, 1964, the City of Milwaukee was granted sewer easement SE-1657. The easement is located in the area west of North 68<sup>th</sup> Street (extended) and south of West Bradley Road. A portion of the sewer within the easement has been abandoned due to a sewer relocation. Consequently, a portion of the easement will no longer serve the interests of the City of Milwaukee and, therefore, may be released.

We have prepared the attached resolution authorizing and directing the proper City officers to execute Partial Sewer Easement Release SER-1657.

We recommend adoption of this resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Mariano A. Schifalacqua
