Good morning Jim,

Yes, I have reviewed the certificate of occupancy environmental contamination ordinance and it is my opinion that it is both legal and enforceable. I will be in office tomorrow and can sign then.

Please let me know if you need anything further.

Best,

Subject: Checking in on two ordinances

Morning,

The LRB is preparing a substitute for the deputies ordinance to respond to ACA Miller's concerns.

Is there any update on the environmental contamination and council members/mayor's salaries ordinances?

My Thanks,

Jim
