INSTALL NO PARKING WHEN SNOWFALL
2" OR MORE ON EAST BELLEVIEW PLACE
FROM NORTH OAKLAND AVENUE TO
NORTH CRAMER STREET

Dear Alderman D'Amato:

This is in response to your request on behalf of Mr. Neil Bast to install the above-captioned parking restriction.

Our Traffic Engineering staff forwarded this request to the Sanitation Division to see if there would be a snow plowing concern if this restriction was installed. They investigated this request and concluded that there would be no problem. The necessary legislation will be prepared and subsequently heard at the January 9, 2003 Public Safety Committee meeting.

REMOVE PARKING RESTRICTIONS
VARIOUS LOCATIONS IN THE
4TH ALDERMANIC DISTRICT

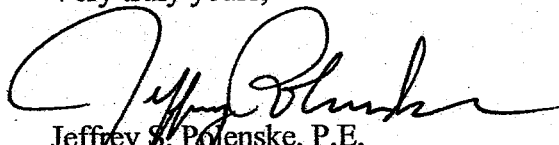

Dear Alderman Henningsen:

As part of our on-going effort to verify field parking sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the parking restrictions listed below are not present in the field. The area residents or businesses have not questioned the absence of these signs, and we believe that the restrictions are no longer needed. We, therefore, recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. West Wisconsin Avenue from North 26th Street to a point east – No Parking
2. North 10th Street from West Highland Avenue to a point south – No Parking
3. North 16th Street from West Wisconsin Avenue to West Clybourn Avenue – One Hour Parking
