To the Public Works Committee

Subject: Common Council Resolution File Number 130216

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 130216, being a resolution to grant a special privilege to Giuffre IV LLC to install and maintain five private light poles in the public right-of-way for the premises 3804 South 27th Street.

The applicant is requesting permission to install and maintain five private light poles in the east, 24-foot wide sidewalk area of South 27th Street. Said light poles, which are supported by 16-inch diameter concrete bases, are centered on the eastline of South 27th Street.

We are not aware that the presence of said light poles will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said light poles to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
