Subject: Data Center Midtown

[Some people who received this message don't often get email from smotlani02@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

To whom it may concern,

I am writing to advise that this data center is NOT welcome in or around any part of our city. This is a dangerous proposal to our community that will NOT benefit any community members or our environment.

I encourage you to oppose this proposal.
