To whom it may concern,

On 5/20/2017 upon apprehending a hit and run suspect at 12:30 a.m. I received property damage to my front and rear gate. After returning to search for evidence an officer stated that he tackled the suspect and that's how they damaged the gate. I spoke with the Sgt on the scene Sgt. Braun Reiter whom said he would make me a damage report that I could file with city to be reimbursed. After searching I found a reasonable contractor to do the job. With parts and labor the contractor was paid the sum of \$350.00 for the repair of the front and replacement of the gate. Along with my claim statement is an invoice with with damage and cost.
