Dear Alderperson,

What are you doing about the problems on kk with parking in no parking zones on kk at revel and pink agave? People are parking for hours in the bike lanes. This is every day expect Mondays and Tuesdays. Also today Sunday, crowds of people out front of these establishments shouting and screaming for hours and people running across traffic into the streets. Water street has a police presence for these issues and yet we are having issues like this on kk and no police presence at all. And that is not a joke police are never around policing kk. This is also a residential neighborhood where people live. Do you not understand that this is a huge issue? People live here. But yet we have to deal with these issues for years with no resolve nothing being done to correct the nuisances. These are problems are growing on top of the already ridiculous noise nuisance you refuse to address. I have asked many times to have you schedule your peace officers or any officers to come by and hear and see the issues and yet nothing. When are you going to listen? Enough is enough. Please take time and go see this issue for yourself next Friday, Saturday, Sunday after 7 and sit and listen sit and see for yourself. You are the alderperson of this neighborhood right? Come actually see the issues you are allowing to continue for your residents. I'm sick of this nonsense you just let your residents deal with. Come on now, help correct the problem be the alderperson you signed up to be.

nuisances you are following up on, and he will let us know the status.

The way that nuisance issues are handled in our city is by reporting them to the non-emergency police number 414-933-4444 while they are occurring. You will be asked if you will be the complainant for a noise citation and you must say yes for an officer to be dispatched. The police will then issue a citation for the ordinance violation you have reported. Once three of these have occurred in a certain timeframe, the nuisance property process commences and the police require an abatement plan for the property. They then receive increasing fines for each subsequent violation.

If the issue is not reported to police when it is occurring, the enforcement process can not occur.

Captain Pfeiffer, were there calls made to report any violations at 2242 S Kinnickinnic this weekend? I have included the videos the complainant sent regarding. I do see people entering and exiting but before 10 pm and the door is closing immediately behind them. I also see a car parked in a loading zone but the loading zone has times on it.

the alderwoman will reach out to the operator for you to let them know we got some complaints about their Sunday night noise level so they can have the opportunity to reduce the volume on their own. I suspect they were not aware you could hear it.

Subject: Pink Agave,

Marina, alderperson, who do you, we have to contact other then the city hotline for the issues with music bass noise, parking issues, patrons screaming outside if these bars? You have been informed over and over again. And from what it seems don't care about the citizens residents that are affected by all these problems. Today is the worse yet pink agave the new bar that has open has been blasting music for house so loud that is no peace on the street, when they are quieter revels music is loud and on top of that the patrons are outside screaming. This is Sunday from 630-now and looks like no stop soon. Last night patrons from revel sat in there cars blasting bass and smoking what smelt like weed. A police officer sitting at light did nothing. Nothing and the presence of the police didn't stop the music. The parking issues. People parking right in front of revel for hours which are patrons of the three bars sit and park no parking checkers or police stop to correct it. So the police, parking enforcement, you don't seem to do anything, who will. This is so out of hand and nothing is being done to correct it. People live here. These are our homes. Take action and help your residents. Stop taking a blind eye and deaf ear to this matter that has been going on for years. So please tell me who I need to forward the dozens of emails I've sent you over the years informing you of this issue. Enough is enough. I am so fed up with your lack of response to this issue. We know you would never tolerate this if it was at your home so as alderperson you shouldn't allow it in your district. So again who we need to talk to to get this dealt with because what ever you have done seems to not be working.
