Dear Council Members:

Enclosed please find a proposed resolution. We ask that it be introduced and referred to the Committee on Judiciary & Legislation with the following recommendation.

Matthiesen, Wickert & Lehrer, S.C. alleges that on May 26, 2018 their client sustained injuries when he was involved in a motor vehicle accident while traveling northbound on South 2nd Street at West Mineral Street. They allege that the intersection was not safely designed and that excessive vegetation limited visibility. Claimed damages exceed the statutory cap of \$50,000.00.

There is no evidence that the City was negligent in this matter and the allegations raise issues involving discretionary immunity. The City would not be liable. Therefore, we recommend that this claim be denied.
