Good afternoon Deputy City Clerk Zelazny

Thank you for your assistance today. Here is my e-comment submission for the Monday F&P committee meeting:

The Legal Aid Society of Milwaukee is one of the nation's oldest operating public interest law firms, serving Milwaukee residents for over a century. We are adept at efficiently providing quality, data-driven legal services that benefit individuals, their families, and the community at large. We fully support and respectfully request funding consideration for file #241394 (F&P Committee Agenda item 7) – a resolution directing the City Clerk to expend from the resources reserved in the Council-Led Transfer Fund. Thank you.

Executive Director
