To the Public Works Committee

Subject: Common Council Resolution File Number 070355

Dear Honorable Members:

Returned herewith is the Common Council Resolution File Number 070355, being a special privilege granting permission to True Church of First Born Apostolic Faith Inc. to construct and maintain a barrier free access ramp, an excess door swing projection, and a gable projection for the premises at 231 East Meinecke Avenue.

The applicant is in the process of constructing a new church building and is requesting permission to construct and maintain a platform and barrier free access ramp, both with handrail, in the 14-foot wide south sidewalk area of East Meinecke Avenue. The platform and ramp will project a maximum of 3 feet 5 inches into the public way. Additionally, the applicant desires to construct a pair of doors that, when fully open, will project up to 3 feet into the 7-foot wide east sidewalk area of North Hubbard Street, in excess of the 12 inches allowed under Section 245-4-8 of the Milwaukee Code of Ordinances. Finally, the applicant is requesting permission to construct a roof gable that will project up to 1 foot into the south sidewalk area of East Meinecke Avenue. The lowest portion of the gable will be a minimum of 14 feet above the adjacent grade.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
