Alderman, 8<sup>th</sup> Aldermanic District  
Room 205, City Hall

SUBJECT: 8<sup>TH</sup> ALDERMANIC DISTRICT – FILE #040475  
PROHIBITION OF PEDESTRIAN CROSSING  
EAST CROSSWALK AT WEST OKLAHOMA AVENUE  
AND SOUTH 30<sup>TH</sup> STREET

Dear Alderman Donovan:

This is in response to the request by St. Luke's Medical Center for the installation of a traffic signal at the exit of their parking garage ramp and loading dock on West Oklahoma Avenue at South 30<sup>th</sup> Street. Due to the unusual geometry of the intersection and conflicts with left-turning trucks leaving the loading dock area, we recommend prohibiting the pedestrian crossing on the east crosswalk upon installation of traffic signals at the intersection.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

PROHIBITION OF RIGHT TURN ON RED, WESTBOUND  
WEST OKLAHOMA AVENUE AT SOUTH 30<sup>TH</sup> STREET

Dear Alderman Donovan:

This is in response to the request by St. Luke's Medical Center for the installation of a traffic signal at the exit of their parking garage ramp and loading dock on West Oklahoma Avenue at South 30<sup>th</sup> Street. Due to the unusual geometry of the intersection and conflicts with left-turning trucks leaving the loading dock area that is located to the left of the entry ramp, we recommend prohibiting the right turn on red for eastbound traffic at the intersection upon installation of the traffic signal.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so you may support it to final passage.

Very truly yours,
