There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 9/11/2018 at 1:15 PM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

Regarding: Your Parking Lot or Place and Weights & Measures License Applications as agent for "Imperial Parking (U.S.), LLC" for "Impark" at 1000 N WATER St.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

Notice for applicants with warrants or unpaid fines:

Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

Legal Entity Name: Imperial Parking (U.S.), LLC

Parking Lot Address: 1000 N. Water Street, Milwaukee WI 53202

Number of Parking Spaces: 1493

Security Plan

Describe in detail the security measures that will be taken to protect patrons from harm:
Impark employs a 3rd party security vendor, Security Officer Services, to patrol the lot on daily basis. Currently there is a 24 hour roving security guard, in a vehicle, that performs rounds at each of the City of Milwaukee's three parking structures (MacArthur Square, 2nd & Plankinton, and 1000 N Water). In addition, each lot employs a foot patrol security guard overnight (11p-7a), 7 days a week. Security cameras are installed at each entrance & exit plaza, as well as pedestrian access points, in the parking offices, and at each paystation.

Describe in detail the security measures that will be taken to protect vehicles and property inside vehicles from theft, vandalism or other damage:
See above. Security guards perform regular rounds throughout the parking structure, both on foot and in vehicles, to keep an eye out for suspicious activity. There are also signs posted throughout the parking structure, provided by Milwaukee Police Department, that encourage all parkers to not leave any valuables in their vehicles. Any incidents are researched by the garage manager and security by watching available video footage, and reported to police.

Describe in detail plans to comply with City Ordinance which states a person must be available at all times parking service is offered with a response time of no greater than 30 minutes:
Per City of Milwaukee Ordinance, there is always at least one person on site at the parking structure, 24 hours per day. Calls for assistance are routed to an on-site customer service agent, from 7am through 11pm, 7 days a week. After 11pm, calls are routed to a call center, who have the ability to assist customers, vend a gate if necessary, and contact the on-site employee via cell phone to assist if necessary.

Regarding: Your Parking Lot or Place and Weights & Measures License Application as agent for "Imperial Parking (U.S.), LLC" for "ImPark" at 724 N 2nd St.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

Notice for applicants with warrants or unpaid fines:

Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

Security Plan

Describe in detail the security measures that will be taken to protect patrons from harm:
 Impark employs a 3rd party security vendor, Security Officer Services, to patrol the lot on daily basis. Currently there is a 24 hour roving security guard, in a vehicle, that performs rounds at each of the City of Milwaukee's three parking structures (MacArthur Square, 2nd & Plankinton, and 1000 N Water). In addition, each lot employs a foot patrol security guard overnight (11p-7a), 7 days a week. Security cameras are installed at each entrance & exit plaza, as well as pedestrian access points, in the parking offices, and at each paystation.

Describe in detail the security measures that will be taken to protect vehicles and property inside vehicles from theft, vandalism or other damage:
 See above. Security guards perform regular rounds throughout the parking structure, both on foot and in vehicles, to keep an eye out for suspicious activity. There are also signs posted throughout the parking structure, provided by Milwaukee Police Department, that encourage all parkers to not leave any valuables in their vehicles. Any incidents are researched by the garage manager and security by watching available video footage, and reported to police.

Describe in detail plans to comply with City Ordinance which states a person must be available at all times parking service is offered with a response time of no greater than 30 minutes:
 Per City of Milwaukee Ordinance, there is always at least one person on site at the parking structure, 24 hours per day. Calls for assistance are routed to an on-site customer service agent, from 7am through 11pm, 7 days a week. After 11pm, calls are routed to a call center, who have the ability to assist customers, vend a gate if necessary, and contact the on-site employee via cell phone to assist if necessary.

Milwaukee, WI 53202

You are requested to attend a hearing which is to be held in Room 301-B, Third Floor, City Hall on:

Tuesday, September 11, 2018 at 01:15 PM

Regarding: Your Parking Lot or Place and Weights & Measures License Applications as agent for "Imperial Parking (U.S.), LLC" for "ImPark" at 841 N James Lovell St.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

Notice for applicants with warrants or unpaid fines:

Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

Failure to appear at this meeting may result in the denial of your license. Individual applicants must appear only in person or by an attorney. Corporate or Limited Liability applicants must appear only by the agent designated on the application or by an attorney. Partnership applicants must appear by a partner listed on the application or by an attorney. If you wish to do so and at your own expense, you may be accompanied by an attorney of your choosing to represent you at this hearing.

You will be given an opportunity to speak on behalf of the application and to respond and challenge any charges or reasons given for the denial. No petitions can be accepted by the committee, unless the people who signed the petition are present at the committee hearing and willing to testify. You may present witnesses under oath and you may also confront and cross-examine opposing witnesses under oath. If you have difficulty with the English language, you should bring an interpreter with you, at your expense, so that you can answer questions and participate in your hearing.

You may examine the application file at this office during regular business hours prior to the hearing date. Inquiries regarding this matter may be directed to the person whose signature appears below.

Regarding: Your Parking Lot or Place and Weights & Measures License Applications as agent for "Imperial Parking (U.S.), LLC" for "ImPark" at 841 N James Lovell St.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

Security Plan	
Describe in detail the security measures that will be taken to protect patrons from harm:	
<p>Impark employs a 3rd party security vendor, Security Officer Services, to patrol the lot on daily basis. Currently there is a 24 hour roving security guard, in a vehicle, that performs rounds at each of the City of Milwaukee's three parking structures (MacArthur Square, 2nd & Plankinton, and 1000 N Water). In addition, each lot employs a foot patrol security guard overnight (11p-7a), 7 days a week. Security cameras are installed at each entrance & exit plaza, as well as pedestrian access points, in the parking offices, and at each paystation.</p>	
Describe in detail the security measures that will be taken to protect vehicles and property inside vehicles from theft, vandalism or other damage:	
<p>See above. Security guards perform regular rounds throughout the parking structure, both on foot and in vehicles, to keep an eye out for suspicious activity. There are also signs posted throughout the parking structure, provided by Milwaukee Police Department, that encourage all parkers to not leave any valuables in their vehicles. Any incidents are researched by the garage manager and security by watching available video footage, and reported to police.</p>	
Describe in detail plans to comply with City Ordinance which states a person must be available at all times parking service is offered with a response time of no greater than 30 minutes:	
<p>Per City of Milwaukee Ordinance, there is always at least one person on site at the parking structure, 24 hours per day. Calls for assistance are routed to an on-site customer service agent, from 7am through 11pm, 7 days a week. After 11pm, calls are routed to a call center, who have the ability to assist customers, vend a gate if necessary, and contact the on-site employee via cell phone to assist if necessary.</p>
