Subject: Proposed St. Augustine Preparatory Academy

To Whom It May Concern:

I am writing to support the new proposed St. Augustine Preparatory Academy on 2607 S. 5th St.

I know that this is a project being done by Gus Ramirez and his family. They have a track record of supporting the development of high performing schools in the City of Milwaukee.

Knowing them as I do, there is no question but this proposed school will be another example of that commitment. I sincerely hope the Commission will support this important endeavor for our children and our city.

Sincerely,

Howard Fuller
