Atty. Langley,

We are appealing your letter of June 30, 2009 regarding C.I. File No. 09-S-186 based on Wisconsin Statute 779, specifically subsection 779.415(2). I would expect the City of Milwaukee is to be held to the same standard of law that we as ordinary citizens are held. While I understand your reference to statute 341.65(2)(g), which may be the relevant section for disposal, however, that doesn't relieve you of the required disbursement of funds gained from such action to the legal parties entitled to those funds based on state statute 779.415. The senior lienholder being Hall Chevrolet is to be paid after all fees are paid from the proceeds.

I ask you to review that section of statute, determine what your fees for towing and storage were, inform us of those fees, and remit the balance to us immediately. If necessary, I am requesting a hearing as well. I ask for your response within 21 days from the date of this letter.

The events leading up to this problem are as follows:  
Hall Chevrolet was the perfected security lienholder of a vehicle owned by Tramosia Phillips as clearly demonstrated on the registration information for the said vehicle. The vehicle in question is a 2005 Chevrolet Malibu, Vehicle ID# 1G1ZT54835F156462. Ms. Phillips allowed her vehicle to be towed to your city lot as the result of some mishap on July 18, 2008. After attempts to notify how she could retrieve her car, she did not respond. The vehicle in question was disposed of by the city on September 4, 2008. Monies for the vehicle were received by the city in the amount of \$4,279.87. We, as secured lienholder, were not notified of the sale nor were forwarded any of the proceeds after your tow and storage fees.

Please call me if you have any questions.

Sincerely,  
  
David A. Poch  
Chief Financial Officer

CITY CLERK

Ronald D. Leonhardt

It has come to our attention after requesting open records information that monies were given to the City of Milwaukee that legally belonged to us. The amount of our claim against the City is \$4,279.87. The circumstances surrounding our claim are described herein.

Hall Chevrolet was the perfected security lienholder of a vehicle owned by Tramosia Phillips as clearly demonstrated on the registration information for the said vehicle. The vehicle in question is a 2005 Chevrolet Malibu, Vehicle ID# 1G1ZT54835F156462. Ms. Phillips allowed her vehicle to be towed to your city lot as the result of some mishap on July 18, 2008. After attempts to notify how she could retrieve her car, she did not respond. The vehicle in question was disposed of by the city on September 4, 2008. Monies for the vehicle were received by the city in the amount of \$4,279.87. We, as secured lienholder, were not notified of the transaction nor were forwarded any of the proceeds.

In December of 2008, telephone calls were made to the city tow lot seeking information as to what the disposal result was and how much was received for the vehicle. This was followed up a fax on December 8, 2008 requesting information regarding the vehicles disposal. Again on February 4, 2009, seeking this information again. And again on February 18, 2009, a letter was sent to David Lawrence, the tow lot administrator. Complete information was finally received on May 14, 2009.

We are entitled to this recovery according Wis. Stats. 779 and therefore seek the amount of \$4,279.87 from the City of Milwaukee. Since time is of the essence, this amount is due us immediate. The name and address these monies should be sent to is:
