Subject: Regarding TITTU REHMAT / 418 E. Center St. licenses

You don't often get email from [REDACTED]

Dear President Perez, License Committee Chair Zamarippa, Alderwoman Cogg and Common Council members,

I am writing in regards to the license appeal that will be heard at today's Common Council meeting concerning TITTU REHMAT FOODS, 418 E. Center St.

I was one of the neighbors who spoke in opposition to the license renewals at the February 18 License Committee meeting, and I also submitted a written letter to the file. I [REDACTED] from Tittu Rehmat and walk past it several times per week, and occasionally will go into the store to purchase food and beer.

I am glad to see that the owners have taken the time to put together a mitigation plan for the issues that are occurring at the business, with the help of their legal counsel. Regarding the specifics of their proposed plan, I'd like to point out a few things:

- Mr. Maistelman's point about there being no neighbors in opposition to the earlier item on 2/18 concerning Ms. Kaur's operator's license is specious. The operator's license is a separate issue, and Ms. Kaur also owns other businesses, which as I understand it, had issues that were discussed during the operator license item. The operator's license was not noticed to neighbors in the same way that Tittu Rehmat's food and class A licenses were, and further, I've never seen Ms. Kaur in the store and would not have known she was associated with the property save for reading the license application. This is all to say, if neighbors had known about the connection between Ms. Kaur's operators license and the Tittu Rehmat license hearing later in the day, there

would have been several present earlier - including myself - to voice the same objections we did during the 11:35 agenda item.

Aside from that, issue, within the mitigation plan there are several good steps proposed, but some issues that still warrant attention:

- **The mitigation plan states that the owners will continue to prohibit single serving alcohol sales. This is blatantly false** - the store has sold single bottles of beer and malt liquor for as long as I have been going in there. They are clearly advertised on the doors of the beer colors. There is probably a sign up now hawking \$1.25 bottles of Heineken. I personally believe that single serving alcohol sales should be allowed in some cases, if they are handled responsibly. The fact that this plan misrepresents the business's current practices, and its larger track record, lead me to question their willingness and ability to take those steps to be more responsible.
- **Regarding the food issues, there are two big issues with the food dealer's license that the plan does not address. First, and most importantly, it says nothing about pricing its food products.** If food doesn't have a clearly listed price, how can a customer come in and make an informed decision about how to spend their money wisely on the products? And if there's no clear price and the items have to be walked up to the staff and price checked behind a counter that allows no visual confirmation by the customer, what's to stop the staff from saying a product is \$2, or \$3, or \$10? It opens the door for exploitation, but most of all it's just bad business. Pricing all food products ought to be the minimum baseline expectation for a food dealer, and this plan says nothing about addressing this problematic behavior.
- **The second issue with the plan is that it doesn't address at all the poor state of produce, deli, and food prep facilities within the business.** The business has a very large deli case, kitchen area, and back room with food prep facilities that are disorganized and seem barely utilized. I recognize this is not strictly a license issue but it is an indicator of whether this business is actually interested in investing and offering decent food that the community wants. They could refurbish the space and serve hot food - even Indian and South Asian food - which can't be found in the neighborhood easily. They could lease the space to another food operator. There are many things they could do to enhance the food operations if they wanted to. This mitigation plan doesn't express any openness to considering those things, and regarding the food operations, it seems to be suggesting simply business as usual.

In closing, this is a useful first step from the business, but I hope the Council doesn't let it be the last word. This business has had similar issues over the years. In 2023 it entered into a good neighbor agreement with neighbors that clearly didn't result in the kind of positive long-term changes that were agreed to - which begs the question of why it would be any different this time.

If it's the wish of the Council to reconsider the food dealer suspension and class A nonrenewal, then I would ask that it be sent back to the License Committee for reconsideration in the future, and in the interim the owners meet with residents - perhaps with the help of a nearby organization such as Safe & Sound or WestCare, which is beginning some activities next door to the store shortly - to build a better, more responsive plan that will help the store become a community asset rather than a nuisance. I would be happy to be a part of that dialogue, should it occur.

Thank you for your time and attention to this matter, and for your commitment to our city and its vibrancy.

Importance: High

Licensing Committee,

I want to share that myself and many neighbors, landowners and business owners, in the area adamantly oppose the issuing of Class A Fermented Malt Beverage License to Tittu Rehmat Store located on 418 E Center Street Milwaukee WI 53212. This business has been a hotbed of illegal activities since the new operator has taken over. We have spoken with them for the past few years in an attempt to rectify the situation. It has gone to no avail. The owners welcome the illegal activity and cater to them for profit. The following areas of concern:

1. Active Drug Dealing occurs in-front, alongside, and behind the store. Dealers meet their customers in the store and walk out to sell to them.
2. The store sells items that are not food or alcohol related but are used as drug paraphernalia items.
3. The store has/had illegal gambling machines in operation (multiple complaints have been filed).
4. The store's customers regularly use the adjacent city parcels to drink in and use drugs in.
5. The store's customers regularly block the alleyway to neighborhood traffic while they are selling, using drugs and alcohol. – the owners have a parking lot that they restrict to employee use and do not allow their customers to park there.
6. Crime has risen because of this establishment with multiple murders occurring in close proximity after they have been buying alcohol from the establishment. There has been numerous incidents of drug using/dealing complaints; fighting, shootings, and indecent exposure of genitalia to minors from the customers of this establishment – police records as back-up.
7. The amount of litter and debris caused by the establishment's customers is a public nuisance and sanitation / public health issue.

The owners' response:

1. Parking: paved parking lot but chains it so no one can use;
2. Drug dealing: puts up cameras but doesn't call it into the police or share the videos;
3. Open intoxicants: sells to customers even though they loiter outside drinking openly – puts up sign no loitering;
4. Debris/Litter – puts neighbors can out front of his store for their use – neighbor garbage can is filled with store customers refuse;
5. Calls from neighbors in regards to complaints: continues to sell drug paraphernalia, illegal gambling machines, and solicit this type of clientele.

There is a well operated liquor store on Center that is less than 1 block away that does not have any of these issues or complaints. They are a positive neighborhood fixture and responsible operators. If the community needs to purchase alcohol this is a viable option from an operator that does not leach off the community and instead takes pride in their business. [redacted] told me that they are afraid to say anything because they are threatened and have been beat-up prior. That only tells me that they can not control their business and should not be operators. The Community is pleading with the licensing committee to deny the license due to chronic nuisance property and the harm this business has caused to the neighborhood.

In closing, I am a local businessman and homeowner of this community who is directly impacted, and children have been impacted due to this negligent business. [redacted] have had to witness shootings, murders, drunk men showing their genitalia to them, and constant drug trafficking due to this business's poor practices. I also [redacted] who had a similar operator. Within 30days of me acquiring that nuisance property I shut it down. That is the difference between a responsible local owner and someone who just leaches off the neighborhood with no regards for its wellbeing because they are not from the neighborhood. There is more than enough information to deny this license, please do the right thing and deny the license for the safety of our children and community!

LICENSED PREMISE REPORT

Ellis, Marlon 038284

03/05/2025

This report is written by P.O Marlon ELLIS, assigned to District 5, Early Power Shift, Squad 5242.

On Wednesday, March 4, 2025, at 11:55 am, I was dispatched with my partner P.O PETTY, to 418 E Center St, Milwaukee, for a Trouble with Subject complaint.

The Dispatched CAD read there was a female wearing a brown jacket, black hoodie, blue jeans pants and tennis shoes who was walking on the 400 Block of E Center St soliciting people for money to buy drugs. This complaint implied the female was walking with an Asian subject that appeared to be a minor and was possibly being trafficked.

Upon my arrival, we spoke to an employee, identified as Ranjit Singh, W/M, 12/02/1957. We asked SINGH if he observed a female wearing a brown jacket, black hoodie, blue jeans pants and tennis shoes entering his store or loitering in front of his store with an Asian child.

SINGH stated that he did not observe anyone fitting that description, but we could view his CCTV cameras. P.O PETTY and I, view the CCTV camera that shows outside of the store, and we observed a W/F, wearing a brown jacket, black hoodie, blue jeans pants and tennis shoes. The W/F approached the store from the southside, she then went up to a B/M who was standing in front of the store and handed him something in his hands, however I am unsure of what the transaction was.

The video feed we observed showed the person matching the description of the female in the CAD entering and leaving the area alone. It never displayed an Asian minor.

The B/M then entered the store and came back outside where the W/F was and handed her something

in her hands. The W/F then left heading southbound.

P.O PETTY then showed SINGH the video and he was asked if the B/M had come inside the store to and made any purchases and SINGH replied yes. SINGH stated that the B/M is a regular customer and that he comes inside his store often. P.O PETTY then asked SINGH if recognize the W/F and SINGH replied yes. SINGH stated the female walks up and down the street all day and she is not allowed inside the store. Having this information, it appeared the female could have possibly handed the B/M money, and he could have entered the store to purchase items for her.

There were no other witnesses located during this investigation.

The Occupancy license was posted and is currently up to date. The store staff and manager were polite and cooperative.

Squad 5261 saturated the area but was unable to locate the subjects.

We did not speak to the caller regarding this investigation.

There was no further Police action taken.

LICENSED PREMISE REPORT

Mckinney, Michael 039341

07/17/2025

This report is written by P.O. Michael MCKINNEY, assigned to District Five, Early Power shift, Squad 5242.

On Thursday, July 17th, 2025, at 12:03pm, my partner, P.O. Terrence PETTY, and I, while in full duty uniform, equipped with activated AXON body-worn cameras, and driving a marked police vehicle (Squad Car 65525), were dispatched to 418 E Center St for a Theft complaint, in the City and County of Milwaukee.

Upon our arrival, I noticed the B/F Caller standing outside the business next to a black sedan, waiting for us with an angry expression. Meanwhile, customers were entering and exiting the store. I spoke with the B/F Caller, identified as Linda L. HASKINS, the caller, 11/28/67, who stated that the business owner had taken her payout receipt with her money on it while she was playing a slot machine inside the business. Haskins claimed that the owner was refusing to return her funds.

I then spoke with the business owner's son, identified as Sukhdeu N.M.I. SINGH (W/M, 09/16/91). SINGH explained that upon his return to work that afternoon, his father was accused of stealing money from a customer, which led to the customer throwing items in the store. SINGH stated that he reviewed the surveillance footage, which showed HASKINS intentionally throwing items without permission. He insisted that he did not know HASKINS and did not want her back on the property. SINGH was cooperative in providing access to the surveillance recording and helped with our investigation.

I reviewed the footage from the camera mounted on the northeast corner of the building's awning, which confirmed that Haskins was throwing items but did not show anyone taking her money. The video

showed her playing a slot machine at the time, and SINGH noted that the last payout for that game was only \$10.00 while Haskins was playing. SINGH stated he had no record of her receiving a payout receipt but was willing to pay her.

Upon my return to issue a contact card to SINGH, I verified that his business license was current and posted. Consequently, we issued HASKINS her \$10.00 and informed HASKINS that SINGH did not want her back at the location.

LICENSED PREMISE REPORT

Felix, Carlos 015476

11/17/2025

This report submitted by Officer Carlos Felix assigned to the Licenses Investigation Unit.

On Saturday, 10-04-25, I along with coordinator Edgar Mendez from Jump at the Sun Consultants conducted a Wisconsin WINS Tobacco Prevention compliance check. Assisting were a 17-year-old female (TA' Niyah Shamon Sanders, B/F 07/05/08, 3514 N. 13th St.) and a 16-year-old male (Malik Hughes B/M 05/18/09, 2725 N. 11th St.). Both of them had a WI Id's Card that indicated their dates of births. Both are under the legal age to purchase a tobacco product.

They were instructed to walk into a business together and one of them would attempt to purchase a tobacco product. If the store employee asked for their ID card, they would present the employee with it. If the store employee did not ask for an ID Card, they would not present an ID Card. The legal age to purchase tobacco is 21 years old in the State of Wisconsin, 18 in Milwaukee.

At 10 :58 AM, both Sanders and Hughes walked into TITTU REHMAT FOOD MART located at 418 E. Center St. Hughes asked a cashier for a tobacco product and was served without them verifying his age.

THE described Cashier / SELLER, MIDDLE EASTERN MALE, PINK SHIRT, SHORT BLACK HAIR, SHORT MUSTACHE AND BEARD, WEARING BLACK RIM GLASSES.

At 11:02 AM, the cashier was identified as DAVID ALEE, Address: 2612 N. Maryland Milwaukee, WI. I advised they sold a Black and Mild Cigar containing tobacco to a minor and never asked to see WI ID card to verify Hughes was the legal age to purchase the item before conducting a sale. ALEE, denied that he failed to ask for a WI ID Card, and stated he always checks. He also never denied selling the Black and Mild Cigar.

I ended with providing my contact information. The agent will be called and advised of the citation with attempts to deviled or mail to their listed address if personal delivery is unsuccessful.

This report submitted by Officer Carlos Felix assigned to the License Investigation Unit, Day Shift.

On 12/08/25, at 11:42 a.m., I conducted follow-up at 418 E. Center St., Tittu Rehmat Food. The follow-up was regarding gambling machines operating in the business.

Upon entry into the business I checked the area open to the public and observed two electrical upright machines concealed behind a shelf on the rear west wall. The machines were not on or easily accessible to the public.

I made contact with an employee identified as Alee David and informed him of my follow-up. David stated the machine are not being used and have been unplugged and placed behind shelves to keep them out of view. I provided David with printed information from the Department of Revenue regarding the legality of gambling machines in Wisconsin. I ended our contact.
