Hello,

I live at 7010 N 124<sup>th</sup> Street, Milwaukee WI 53224. I OBJECT to having the zoning changed from residential. I bought this house 2 years ago, due to its single family and quiet living. Changing the zoning not only causes our neighborhood change by having trucks and semis' driving by, it will be louder behind us which will scare off the animals that are protected in the reserve, as well as not letting my 9 year old be able to play or ride his bike and or dogs because we won't feel safe enough on our own property.
