President Carol Brown

March, 2004

Enclosed is the 2003 Waukesha County Technical College (WCTC) Financial Activity & Condition Taxpayer Summary (FACTS) for your information.

This document provides a concise report on the financial position and operations of WCTC for the fiscal year ended June 30, 2003. This summary is prepared for local business and community taxpayers who provide property tax and other support to the college.

This summary simplifies and condenses our 2003 Comprehensive Annual Financial Report (CAFR), which is over 100 pages long. WCTC's 2003 CAFR has been audited by the public accounting firm of Virchow, Krause & Company, LLP and conforms to accounting principles generally accepted in the United States of America.

Please visit WCTC's website at [www.wctc.edu](http://www.wctc.edu) for more financial and other college information. This report is also available on our website by clicking on "About WCTC."

If you are receiving this printed report in error or no longer wish to be on the mailing list, please contact me by email at [jmetzger@wctc.edu](mailto:jmetzger@wctc.edu) or fax 262-695-3494 and I will remove your name.

If you would like to request the Comprehensive Annual Financial Report, please contact Cary Tessmann, Chief Financial Officer at 262-691-5214. For any other questions, please feel free to contact me at 262-695-3478.
