This report is written by PO Penny Brown assigned to the License Investigation Unit.

On Saturday, June 17, 2017, I was assigned to work the Wisconsin WINS Youth Tobacco Initiative, which checks area vendors for age compliant tobacco sells. Assisting in this assignment was: Lila JOHNSON B/F 12/1/99, 2633 N. 23rd St., Milwaukee, WI 53206. JOHNSON is 17yoa and not of legal age to purchase tobacco.

At approximately 10:25a.m., JOHNSON entered Family Food Market located at 2803 N. 35th St, and purchased a 2 pack White Grape flavored White Owl cigar. JOHNSON described the cashier as a A/M wearing a black t0shirt with curly hair. I entered the store and immediately identified the cashier (Osyed S. SALEM A/M 12/23/97) based on the description. SALEM admitted to the sale and stated he did not request an id. I advised SALEM I would be mailing an enrollment packet to the agent to enroll in the M.A.R.T.S. program.

Due to the fact this is a Class A establishment, I requested to see SALEM's Class D Operators License. SALEM stated he did have one, however, it was not on his person. A later check with LIRA (License Information Reporting Administration System) revealed SALEM did not have a Class D Operator License.

I contacted the agent (Naser A. ASAD) to advise him of the situation and that he would be receiving a citation for the violation, however, received a voicemail and left him a message advising him of the situation.

As of 9/21/2017, the agent did not enroll in the M.A.R.T.S. program, therefore, a citation for the initial violation was mailed.

PA-33E Narrative

This report is written by P.O. Frank YINKO, District Three, Late Power Shift.

On Wednesday, August 16, 2017 at 2:08am, Milwaukee Police Officers were on patrol, and came upon a large crowd outside of Connie's Nite Life Lounge (4001 W North Av).

The officers witnessed a large crowd surrounding the location, at "bar close." Another crowd was in the road and it appeared that multiple subjects were kicking someone lying on the ground. As the officers pulled closer, they noticed a person lying on the ground on his/her back, and a female (suspect 1) was hitting the person who was not moving. The suspect was placed in custody. The victim was later treated at a local hospital for a head injury (concussion). The victim lost consciousness during the incident.

As officers were calling for medical attention for the victim, the large crowd moved towards them. Suspect 2 threatened to shoot the officers, and disobeyed several lawful orders to stand back. Suspect 2 continued to approach the officers and were physically stopped by officers. Suspect 2 use loud and profane language, and got into a "boxer's stance." Officers attempted to place Suspect 2 in custody, but he continued to refuse orders. An officer deployed his Taser at Suspect 2, and officers were able to place him in custody.

During the incident, Suspect 3 used loud and profane language which assisted in drawing the crowd closer to the officers. Suspects 3 was detained, and later released with a future court date.

The licensee allowed us to view the video surveillance cameras. I attempted to view the video, but the computer's hard drive was full and unable to record. The licensee stated she would call the installer of her security system to fix the equipment.

This report is submitted by P.O. Lyndsey PETERS assigned to District Three, Modified Early Shift. On Tuesday, October 10, 2017, at 1pm, a meeting with the owner's of Connie's Nite Life Lounge and an attorney was held in District Three's Conference room regarding incidents of concern that have occurred at the location. Connie LELAND made it clear that she is having issues with hiring and maintaining effective security during hours of operation at the location. LELAND stated up until July 9th, 2016, she had armed security through a company, however, they were involved in a Homicide so they had to be let go. Since then she has been hiring unarmed security by application and stated the people she's hiring will be ok for a month or two and then become complacent. She stated she will check on them and they are outside just smoking cigarettes with everyone. She stated she is constantly hiring and firing security. She believes the issues started when her patio was shut down. The patio was utilized for people to smoke, but now they have to stand outside the front of the business to do it. When asked why the patio was taken away from her she stated because she didn't have adequate lighting. She stated she didn't want to upset neighbors by putting lights in the patio. LELAND stated she has thirteen employees staffed during hours of operation, four of which are security guards. The security is there from open (9pm) until close. Two are outside and two are inside during hours of operation. There is an age limit requirement of 25 years of age and older only. There are six or seven cameras at the location, one of which is covering the exit / entrance. LELAND stated there is a counter to check people coming into the business and a hand held counter that should be checking people leaving, however, the security guards seem to get confused often. It was suggested that she use a double counter to ensure an accurate count of people on premise during hours of operation to make sure not to go over capacity. Another suggestion was to train security hired for security purposes at the location. As of now there isn't a structured plan to hold security accountable. Another recommendation was to create a line by roping off a section and limiting the number of people in line based on the number of security guards working (safe ratio for security to be capable of handling). LELAND stated a lot of fights ensue when patrons believe they are getting turned down due to capacity when they still see people coming and going, however, Connie stated that patrons are smoking and coming back in. She expressed her frustration with how disrespectful people will get when unable to enter. LELAND was informed she will be receiving a nuisance letter regarding the property and also that we will be following up with her to conduct a CPTED survey of the premise. Sgt. RADEN, Assistant City Attorney Patrick LEIGL, Special Enforcement Inspector Matt RZEPKOWSKI from DNS, Captain BOSTON-SMITH, Sgt. CANIFF, P.O. ANDERSON, P.O. FINKLEY, P.O. STAHL, P.O. WHITTENBERGER and myself were present for this meeting.

PA-33E Narrative

This report was submitted by P.O. Scott WIETING, assigned to District 3, Late shift.

On Sunday, February 11, 2018, at approximately 2:29 A.M., I began responding to the intersection of N 40th St and W North Av, regarding a shooting complaint. Upon my arrival, I observed Squad 3340 (P.O. Antonio OBREGON and P.O. Adam GONZALEZ) on-scene, attending to a subject who had been struck by gunfire in the leg. The subject was sitting down on the Northeast corner of N 40th St and W North Av.

Through the investigation, it was determined the suspects and victim of the shooting incident had all been patrons at the bar located at 4001 W North Av (Connie's Nitelife Lounge). The initial story was a group of approximately 7 individuals were asked to leave the tavern after a verbal altercation inside. The second group, which was involved in the altercation, was kept inside, while the first group left the immediate area outside of the bar.

Once the second group left, a physical fight started outside of the tavern, between the two groups. The security team attempted to separate the two groups. Once the groups began walking to their vehicles the security team went back into the tavern.

A shot was heard by multiple patrons, who stayed in the bar.

The subject survived the shooting, and had been taken to Froedtert hospital by the Milwaukee Fire Department.

It should be noted, upon a check of the video camera system, it was discovered the system was full and had not made a recording since September 14, 2017. Inside of the establishment were two dart boards, five separate gaming machines, and an AMI music jukebox. Behind the bar was one flat screen television and one tube style television. A sign posted behind the bar from the City of Milwaukee noted the occupancy limit for the tavern was 80 people.

No arrests were made on the date of this incident regarding the shooting investigation.

Squads sent to investigate this incident:

- 3340 – P.O. Antonio OBREGON and P.O. Adam GONZALEZ
- 3351 – P.O. Scott WIETING and P.O. Robin STOIBER

PA-33E Narrative

This report is being typed by P.O. Thomas MARCUS assigned to District Three Modified Early Shift, SQD 3255.

On Wenesday, 11-15-17 at 11:18AM SQD 3255 was dispatched to S&A Liquor, located at 3725 W. Center St, for a Property Damage complaint.

Upon arrival, I interviewed the caller, Melva M. ECHOLS. ECHOLS stated she is an employee at S&A Liquor. ECHOLS stated when she arrived for work today at 9:00AM, she observed the front window was damaged and had a large brick still stuck in the window. ECHOLS stated she immediately caled her boss, Mamta SINGH, about the window. ECHOLS stated her boss told her to call the police and make a report.

ECHOLS stated she then looked at security video. ECHOLS stated at 10:45PM, Tuesday 11-14-17, a B/M, light color hooded jacket and blue jeans, approached the window with a large rock and threw it at the window and ran off immediately. ECHOLS stated she did not think it was an ex-store employee and was not sure if it was a disgruntled customer from earlier in the night.

ECHOLS allowed me to view the window. At 10:42:39PM I observed the subject throw a rock at the window but it bounced off the window. I observed the subject reached down by his left ankle and remove a rock. I observed the subject walk N/B across the street of W. Center St. At 10:43:59PM the subject returns back and throws another rock at the window which also bounces off the window. At 10:45:30PM the subject returns back to the store and throws a large rock window which causes damage to the window.

I called for CST or CSO to my location. SQD 3193, CSO Monica NASH, arrived on scene and took 5 photos at 12:30PM.

Shortly after police arrived, the fighting ceased and people began to leave.
11. On 07/16/2011 at 2:51am Milwaukee police were on patrol when they observed several people and vehicles loitering in the parking lot at 4806 W. Lisbon Ave. ("Judy's Red Hot's"). In addition to people standing in the lot, there were two women dancing on the top of a car in the parking lot. An officer exited his squad car and began to walk towards the dancing women. At this point, he observed that the car was a late model, silver Chevrolet Impala four-door, or similar vehicle. By this time, both females observed police and ceased their actions. A man who was part of a group standing next to the Impala, then walked to the Impala and got into the driver's seat. The officer attempted to initiate contact with the driver as another officer stood by as cover. Just then, a black vehicle, occupied by two black males drove into the parking lot, stopping in front of the Impala, so the passenger side of the black car was facing the front of the Impala. A hand reached out of the passenger side of the black car, holding a pistol. An officer was about ten to twelve feet away from the man with the gun at that point. The man started firing approximately eight to ten shots of rapid fire at the Impala. Several people that were standing in the lot then began to run in the opposite direction of the gunfire. Officers attempted to stop occupants of the black car as it left the parking lot, when an officer observed that a gun was in the hands of the driver of the black car, with the gun muzzle pointed in their direction. An officer discharged one time at the driver of the black auto. The black auto then fled north on North 48th Street. It is unknown if the black auto or the occupants of it were struck.

It was later determined that a citizen was struck once in the face by gunfire from the black car. The victim was taken to St. Josephs hospital by private vehicle and subsequently transported to Froedtert Hospital.

The surveillance system at the business was functioning and did capture this incident. Milwaukee police were able to retrieve video from the business.

Milwaukee police incident report #111970035 filed.

12. On 10/15/2011 at 9:15pm Milwaukee police responded to an armed robbery complaint at 4806 W. Lisbon Ave. (Judy's Rd Hot's). Investigation revealed a customer was robbed at gunpoint while in the bathroom of the business. The surveillance system at the business was functioning and did capture this incident. He has had ties with different community groups (including Harambee and Bid 32) and familiar with how to develop connections in the community. He will reach out to D3 when they figure out what security company they will be

using and contact D3 if they experience issues or concerns when the business opens. He seems to be more than willing to communicate and work with D3.
