This report is typed by P.O. Thomas FRANK, assigned to District -1, Power Shift.

On 10-28-16 at 1:00 A.M. myself along with Multiple other District -1 squads, and Neighborhood Task Force squad, conducted a tavern check of Mo's Irish Pub, which is located at 142 W. Wisconsin Ave. There were 2 Marquette University Police Officers on as well during this investigation. Upon arrival to the location, I observed approximately 300-400 individuals inside of the location drinking, who didn't appear to be of legal drinking age. Multiple officers entered the tavern and observed that the only staff working at that time was bartenders and bouncers. Officers also observed numerous tables removed from the seating area, and individuals wearing wrist bands, which were later discovered to represent an "all you can drink" special. The wrist bands were \$10.00 at the front door of the Pub. It gave you access to drink rail and tap beer for the night. There were no servers working, and it appeared that the location was only operating as a tavern and not a restaurant. Officers began to clear the tavern, and began to locate and identify numerous patrons who had not attained the age of 21. Officers were able to identify 18 individuals who were under the age of 21, from inside of the tavern. It appeared that there were at 300-400 patrons inside of the tavern upon us entering. While attempting to check each patrons ID, the extremely large crowd became restless and violent towards officers. The large crowd forcefully pushed their way through the front door, while other numerous patrons attempted to hide, or exit out other doors to the tavern. According to P.O. Rob Ferrell one patron ever climbed into the lowered ceiling by the bathrooms in order to evade identification. Eventually someone from inside the tavern used a table and chair from inside, and pushed through the large crowd using the items as leverage. The tables were used to push its way through the entry door. The table fell through and made about 10-15 patrons to be trapped underneath the table and other patrons. Officers also had to avoid the tables because it was coming towards them which could have caused serious injury. The large crowd was finally able to physically force their way out of the front door and spilling out onto the street. Some of the patrons also fell on the ground were stepped on and trampled on by other patrons. This time it became a safety issue for both officers and patrons. It was also clear that the tavern didn't have enough staff on scene to properly control the situation, or prevent the disorderly behavior that was taking place. There was also body cam video that was recorded during this investigation that shows a large number of patrons exiting the tavern in a panic. Citations were issued for Disorderly Premise, and Presence of Underage.

Attached to this report is a DVD of the Body Worn Cameras from the officers who were on scene.

Video titles and times of note are as follows. 1) "Bogust" at 1:16 – shows the crowd pushing through the main entry door and several people falling on top of each other

2) "Ackley – 1" at 19:22 – shows the crown pushing through the main entry door, same as the above listed video

3) "Ackley – 1" at 20:40 – shows a patron who had been on the bottom of the pile of people, who appeared to be frightened

4) "Ackley – 1" at 21:26 – shows Sgt Ackley releasing containment of the doors, at which time the remainder of the patrons exit the tavern

It should be noted on two occasions within the past year Sgt. Thomas Ackley spoke to Mo's Irish Pub staff about rumors regarding underage patrons in their bar on Thursdays. Sgt. Ackley offered to hold I.D. classes at the tavern to help staff on what to look for regarding fake I.D's. No training was ever held. P.O. Thomas Kline who is the C.L.O. at District -1 also tried to address the rumors at Mo's regarding underage with Jimmy Manke who is the licensee.

The below listed individuals were inside the tavern and underage. They were given citations and all but one went to Marquette University. Eight people had fake I.D's that were really bad fake I.D's. Six people had real I.D's that showed that they were under 21. Four had no I.D's at all on them.

Subject: noise at Astor Hotel

Dear Jim,

We had to call the Astor Hotel desk tonight, Saturday/Sunday Oct. 22/23, after midnight because of noise problems in the street from people using your ballroom. The back fire door was again open and people were going in and out that door and "partying" in the street on the corner of Marshall and Juneau. There were arguments and yelling occurring.

As far as we could tell, there was no security present to deal with this as has been promised at the last license hearing.

We hope this will be rectified.

Sincerely,

This report is typed by P.O. Corstan D. COURT assigned to the First District – Late Power Shift. On 06-01-16 at 11:44pm, Squad 1442, P.O.'s COURT and Xavier BENITEZ, along with Squad 1430, P.O. Robert FERRELL, conducted a tavern check at 924 E. Juneau Avenue (The Astor Café and Pub).

Officer COURT interviewed the Banquet Manager, Orion R. EVERSON, who opened the doors to the establishment, because it was closed, and gave officers a guided tour of the premises including where the proper licenses could be obtained. Everson said that he did not have any immediate problems regarding the establishment and was cooperative with officers. Officer COURT could only find very minor violations, (i.e. not having the official DNS occupancy placard posted, but a computer generated placard above the main bar and no occupancy inside the banquet room.) So EVERSON was told to correct the violation's and if he had any concerns to contact the First District Station House.

On 06-05-16, Squad 1442, P.O.'s COURT and Matthew ANDERSON, conducted some follow-up interviews of citizen's around the neighborhood of the Astor Café and Pub about the complaints stemming from the establishment.

Officer COURT interviewed Bruce E. HENDERSON, w/m 06-10-53, of 903 E. Juneau Avenue #11 (414-380-4704), who said that he is the building manager of the apartment complex. HENDERSON told Officer COURT about an incident, which occurred after the licensing hearing for the Astor Café, and Pub, which made him feel intimidated. After speaking against the tavern, HENDERSON was outside of the committee room when a black male (6'00", medium build, 40 years of age) approached him and said, "You're a racist." Henderson, feeling uncomfortable and scared, asked the subject what he meant about that comment and the black male said, "You meant to say white neighborhood." This comment referred to HENDERSON's earlier testimony when he said that he did not think a loud tavern like the Astor café and grill should be in his neighborhood. HENDERSON, feeling threatened, then left City Hall and went home. While reflecting on the incident, HENDERSON thought that the black male was an associate of the Agent of the establishment, James A. CADD, and that he did that to intimidate HENDERSON from testifying against the tavern, so he voiced his concerns the next day with someone at the license division. A few days later, HENDERSON received a call from CADD stating that the black male who confronted him in the lobby of city hall was not a friend nor an associate of his, so HENDERSON does not think the black male is involved with the tavern. The only other new complaint HENDERSON had was that on 05-29-16 (Memorial Day weekend), there was an "out of control party" at the tavern which involved drag racing, fighting, and young people hanging out the windows of vehicle's. (Tavern report to follow). The interview was concluded.

Officer COURT interviewed Haley M. BUTLER, w/f 12-14-91, of 903 E. Juneau Avenue #40, (414-801-8169), who said that she feels the tavern does not do enough to control it's crowd after the tavern has closed. She states that on certain occasions (05-29-16 being one of them) she sees people leaving the establishment yelling and squealing the tires of their vehicle's as they leave the street. The bass from the establishment can also be heard from inside her apartment that is on the fourth floor and across the street from the tavern. BUTLER had nothing further to add and the interview was concluded.

Officer COURT interviewed Gerald J. BRADEN, w/m 03-19-43, of 1111 N. Astor Street #1, (414-276-2234) who stated that he has observed unruly patron coming from the hotel on a few separate occasions. On Memorial Day in particular (05-29-16) he observed vehicles blocking the street with young males hanging out of the vehicle windows and patrons from the establishment urinating in public. BRADEN said that this has been the first time since 1990 he has felt unsafe in his neighborhood because of the chaos happening outside.

Officer COURT had a meeting with the agent of the establishment, James A CADD, w/m, 06/07/67, and told him about the concerns of his neighbors. CADD stated that he understood those concerns and has been taking corrective action to help alleviate the problems. CADD said that there will be no more "promoted" events at his establishment and will drop that listing on his plan of operation. CADD also will have a meeting with the people in the neighborhood and discuss any

concern they might have and take corrective action as he sees fit. Officer COURT advised CADD that if he has any large events, to contact the First District Police Station so that they may monitor the event.

PA-33E Narrative

This report is written by PO Ryan DUMMANN assigned to District One, Late Shift. On Sunday, 23 October 2016, at approximately 12:12am, I, SQD 1321, was dispatched to 924 E Juneau Ave for a fight complaint. Upon arrival on scene I observed that there were no individuals actively fighting. As I approached the entrance to the Astor Hotel there was a small group of people standing out front of the main entrance to the hotel.

I was first met at the hotel entrance by one of the individuals who claimed to have been involved in the fight. He identified himself as Jonathan J. CULLEN, W/M, 5-1-86. CULLEN appeared to have a few minor marks on his face. I immediately asked CULLEN if he needed medical attention and he refused. I then conducted an interview of CULLEN regarding the circumstances of the fight and he relayed the following information to me.

CULLEN stated that he had been at a friends wedding in the ballroom of the Astor Hotel. While at the reception, CULLEN began to dance with an unknown female on the dance floor. CULLEN was then approached by an unknown white male who was later identified as Devin T. SURA, W/M, 5-25-87. SURA immediately began yelling at CULLEN for dancing provocatively with his wife. CULLEN stated that he attempted to explain to SURA that he did not know the women, and he certainly did not know that she was married. CULLEN and SURA continued to argue on the dance floor of the reception hall before friends of theirs escorted them out of the ball room.

CULLEN then left the hotel to go outside and have a smoke. While standing outside, CULLEN was again approached by SURA. CULLEN and SURA exchanged unknown words to one another. CULLEN stated that SURA then attacked him. The two of them fought for a moment before friends of both CULLEN and SURA broke up their fight. CULLEN stated that he did not have any injuries that required medical attention. CULLEN also stated that he did not do anything or say anything to have provoked SURA.

Next, I spoke with SURA who relayed the following information to me regarding the incident. SURA stated that he had been at a friends wedding at the ASTOR Hotel. While at the wedding he observed an unknown individual dancing provocatively with his wife. SURA stated that CULLEN was being very aggressive and sexually provocatively with his wife. SURA then approached CULLEN and asked him to leave his wife alone. CULLEN refused and stated that she could dance with him if she wanted. SURA and CULLEN then continued to argue until other guests of the wedding had to escort them out of the ballroom.

After leaving the ballroom, CULLEN continued to taunt SURA. SURA stated that CULLEN was yelling at him and "talking shit" to him. SURA observed CULLEN go outside and decided to follow him. After the two individuals were outside, they continued to argue with one another. The two individuals then began to physically fight until friends of both of theirs stepped in to break up the fight. I asked SURA if he needed medical attention for any reason and he stated no. SURA had a few marks around his head and neck that appeared to have come from the fight.

The Astor Hotel was the first caller to report the incident by calling for emergency services. The Hotel called in the incident at 12:09 am.
