MOTION BY ALD. MOORE

RELATING TO FILE NO. 252103

VERSION: ORIGINAL

TITLE: An ordinance relating to fees imposed for the posting of an emergency order on a premise.

ITEM NUMBER: 56

COMMITTEE: ZONING NEIGHBORHOODS AND DEVELOPMENT

MOTION

I move to amend Common Council File Number 252103, by changing the amount of the posting fee in section 200-33-43.5-e from \$180 to \$360.

ANALYSIS:

Based on advice from the Office of the City Attorney, this amendment increases the fee for posting a placard or emergency order on any commercial building not containing residential units from \$180 to \$360.

The City Attorney opined that the fee for a commercial building should be the same as the fee for a building with four or more residential units. In the alternative, the fee for a commercial building should be based on its square footage.

This amendment makes the fee for a commercial building the same as the fee for a building with 4 or more residential units.
