

November 8, 2005

To the Honorable, the Common Council

Subject: 2006 Capital Improvements Program
Infrastructure Services Division
Federal/State Aid Project
West Capitol Drive from
North 60th Street to North 35th Street

Dear Council Members:

The 2006 Capital Improvement Program includes the improvement of West Capitol Drive from North 60th Street to North 35th Street under the Surface Transportation Program. The Federal Program provides cost participation for the improvement of traffic control devices in conjunction with the highway paving.

One hundred percent of the total cost will be funded by the Wisconsin Department of Transportation (WISDOT).

We have, therefore, prepared the attached resolution which authorizes and directs the Commissioner of Public Works to execute a Local Forces Account – State contract with WISDOT that allows City forces to install and/or modify traffic control facilities in conjunction with the improvement of West Capitol Drive from North 60th Street to North 35th Street in the 2nd, 7th, and 10th Aldermanic Districts.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
