Mike,

I hope you and the entire organization know how much DCD and the entire Mayor Johnson administration value our relationship with the Bucks and your forward looking perspective with respect to development of the Deer District.

As with NCG, we will need confirmation from the appropriate Bucks-related entity as well, that an extension of time for the Council to review your application is granted. We are hopeful that the team will grant an extension through June 30, 2025, allowing time for ZND and the Common Council to continue to review the proposed development. If you are agreeable to the extension, please provide a confirmation to my office, which we will also share with the City Clerk.

Thank you,

Lafayette
