RE: 3250 N 88th St

(Address of property in question)

Under ch. 68, Wis. Stats., s. 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Dept of Neighborhood Services  
(Name of City Department)

Amount of the charges \$ 208.54

Charge relative to: TV not placed in proper pick up area

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

I spoke with our tenant Oscar Garcia on Oct 3, 2025 regarding this notice. Oscar told me he came home from work and found the TV on the front medium with a green sticker on it saying it needed to be moved & properly disposed of. He moved the TV to his fenced yard near the side yard. a day or two later he came home and it

was gone.

**Good afternoon Christine,**

We received the noticed on 9/8/25 and that same day we moved the tv back on the property and placed it outside right outside our side door while we look where to property dispose of it. The tv was not out on the public property anymore, one of the following days (not to sure the exact date) the tv was gone, we actually got worried that someone went into the house when we seen it was gone but nothing else was missing. We weren't sure what happen to it we just thought someone went into the property and stole it. No letter or notice was left behind to tell us that the Department of Neighborhood Services took the Tv. We didn't take any pictures because we never expected them to go into the property and take the

tv.

Oscar - When we spoke last week you said you were going to have your son help you get something in writing to me regarding this notice and the incident that occurred. I have not received anything to date. I need an update ASAP otherwise you will be responsible for the entire amount listed in the violation.

I need to hear from you about this.

Per our conversation today, I need something in writing from you describing the actions you took regarding the notice the City of Milwaukee placed on the TV, please include dates and your actions. They said a notice was placed on the door of the house. Did you or someone at the house find the notice on the door? Please email your response to me at this email no later than October 7, 2025.
