To the Honorable  
the Common Council  
City of Milwaukee  
City Hall - Room 205  
Milwaukee, WI 53202

Dear Council Members:

Please find enclosed two copies of a resolution relating to the authorization of general obligation short-term promissory notes to finance the City's share of a United State National Park Services Urban Parks and Recreation Recovery (UPARR) Grant Project. This grant project relates to the rehabilitating filtration systems for various wading pools located at Enderis Playfield, Burbank Playfield, Burnham Playfield, Cleveland Playground, Holt Playground and Ohio Playground.

The maximum amount of borrowing authorized by this resolution is \$89,808, which relates to thirty percent of the total grant amount of \$299,360 for the above noted improvements. The required fiscal note for this resolution is also attached.

We would request that the attached resolution be introduced at the regular July 16, 2002 meeting of the Common Council and be referred to the appropriate Committee(s). We would recommend adoption of this resolution. Should the resolution be adopted, the previously authorized grant acceptance can move forward with the wading pool filtration system rehabilitation being completed.

Your consideration in the introduction of this resolution is appreciated, and if there are any questions, or if we may be of any added assistance, please feel free to contact this office.

Very truly yours,

W. MARTIN MORICS  
Comptroller
