Dear license board (or other),-

I am writing after conversing with my Alderman's (3rd) office. My name is Matthew Anchor and I am a property owner on Brady Street. I would like to register a formal complaint against the Casablanca business at 728 east Brady. I own two houses within 250 feet of the property and have dealt with the increasing problems associated with the business and it's clientele. On the average of 3-4 times a week there are major disruptions at night. I have had one tenant request an emergency move out and am losing another this month. Both citing feeling unsafe from specifically the clientele from Casablanca. The obvious culmination in the recent shooting is the final straw. This business is attracting the opposite type of clientele and publicity for the business association and the residents.

Please let me know what I can do to speak up or voice the residents feelings on this matter. Feel free to contact me at the phone number below or to this email. Thanks and regards,

Matt Anchor
