Dear Council Members:

Attached is a resolution providing authority to the City Comptroller to transfer funds from the State and Federal Aided Street Improvement Account to the Underground Conduit sub-account for the installation of conduit in West Fond du Lac Avenue from North 20th Street to North 35th Street. The installation is necessary and must be done prior to the planned improvement of this segment of West Fond du Lac Avenue.

We recommend adoption of this resolution.

Very truly yours,
