Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

The main goal of the state's roll-out of TraCS Implementation/Expanded Use Grants was to enable agencies to develop the capacity to send the greatest possible number of electronic records to the State of Wisconsin as soon as possible. Because the City of Milwaukee reports a major proportion of both crash and citation information to the state, improvements to its electronic reporting capacity will significantly increase the statewide total.
